Authorizing the expenditure of an amount not to exceed \$21,000 from the General Fund for installation of promotional banner hardware on light posts along major corridors in the city of Toledo; authorizing the Mayor to enter into an agreement with CGS Imaging; waiving the competitive procurement requirements of TMC Chapter 187; waiving the Title Nine - Sign Code, under Part Thirteen - Building Code, of the Toledo Municipal Code; and declaring an emergency.

Body:

SUMMARY & BACKGROUND:

The purpose of this ordinance is to facilitate the installation of 147 banners along high traffic, major corridors in the city of Toledo in time

for the Fourth of July, Jeep Fest 2021, and Solheim Cup 2021. The banners will be hung on City-owned poles in the medians of Reynolds Road, between I-90 & Brownstone Boulevard, and Dorr Street, between Lawrence Ave & Forest Ave, as well as on light posts owned by First Energy, along both sides of the street, on St. Clair Street, between Jefferson Avenue & Adams Street, Huron Street, between Monroe Street & Adams Street, and Summit Street, between Jackson Street & Lafayette Street.

The total cost of the project is estimated to be \$35,000, with the City contributing \$21,000 of this total to cover the costs of hardware and installation. Funds will be paid to CGS imaging. The remainder of the funds needed for this project will come from sponsors.

The 2021 Solheim Cup is expected to bring up to 150,000 visitors to the city of Toledo, draw 7.3 million television viewers, and over one billion social media impressions. The Solheim Cup Opening Ceremonies are expected to bring over 30,000 visitors downtown. The projected economic impact that the 2021 Solheim Cup is expected to have on our region is \$32 million. Jeep Fest is expected to draw 60,000 people downtown and have an economic impact of \$5.6 million. This project will facilitate the city and community putting its best foot forward to maximize the economic impact of these events, and to encourage similar events and investment in the city of Toledo moving forward.

Resolution in support of the City of Toledo applications to the Toledo Metropolitan Area Council of Governments (TMACOG) Transportation Improvement Program (TIP) for the purpose of obtaining financial assistance for transportation infrastructure projects; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The TMACOG Transportation Improvement Program is responsible for disbursing federal transportation dollars to local governments through a competitive application process. These funds are available to a variety of transportation related project types such as road, bridge, and traffic signal work. Successful projects are typically awarded grants of 80% of project construction costs with the city responsible for the remaining 20%. City departments will be participating in multiple application rounds in 2021.

Passage of this Resolution supports the funding applications prepared and submitted by the Department of Public Utilities and the Department of Public Service through the TIP program.

The fiscal impact of this ordinance is as follows:

- The amount of funds requested: none
- The expenditure budget line item: none

- New revenue generated (operational revenue, grants, if any): none

Establishing the Local Fiscal Recovery Fund to account for federal funds received through the American Rescue Plan Act (ARPA); authorizing the Mayor to accept and deposit ARPA funds; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The American Rescue Plan Act of 2021 was signed into law on March 11, 2021. As part of this COVID-19 stimulus package, federal funding will be distributed to state and local governments to address the continued impact of COVID-19. The City of Toledo is projected to receive approximately \$188.7 million through the ARPA. Half of this funding is expected in May of 2021 and half is expected in 2022. Funding must be spent by the end of calendar year 2024.

This ordinance authorizes the establishment of the Local Fiscal Recovery Fund to account for the award of these funds. The Ohio Auditor of State issued Bulletin 2021-004 (attached for reference) to provide accounting guidance for the ARPA programs and to emphasize the need for separate accountability of these federal funds.

This ordinance further authorizes the Mayor to accept and deposit ARPA funds into the Local Fiscal Recovery Fund. Subsequent

ordinances will be presented to authorize appropriation and expenditure of funds for activities eligible under the ARPA.

The fiscal impact of this ordinance is as follows:

- The amount of funds requested: No expenditure authority requested with this ordinance
- The expenditure budget line item: N/A
- New revenue generated (operational revenue, grants, if any): \$188.7 million (projected)
- Revenue budget line item (if any):

Body: SUMMARY & BACKGROUND:

The City has contracted with Governmentjobs.com for on-line recruitment, application, applicant tracking, on-boarding, reporting and skills testing software services since 2013. Governmentjobs.com, Inc.'s services are the best fit for the City's extensive and specialized hiring/on-boarding process. They offer an affordable, low-risk service with a great return on the City's investment. In addition, maintaining a consistent provider for these services results in significant cost-savings to the City. Accordingly, the City determined they are best suited to continue providing these services.

Body: SUMMARY & BACKGROUND:

This ordinance authorizes the Mayor to enter into an agreement with Lexis Nexis Risk Solutions, Inc. for a subscription to the Accurint Virtual Crime Center. Accurint is a next generation policing platform used for investigations, crime analysis and resource allocation. Lexis Nexis Risk Solutions is the sole source supplier of this patented technology. This product links billions of public records to Toledo Police Department data. Linking across data types provides a comprehensive resource for investigations, crime analysis, predictive policing and resource allocation. This agreement will be in effect from October 1, 2021 through September 30, 2024.

Authorizing the mayor to enter into a professional information technology services agreement for the purpose of redesigning the disconnection and reconnection processes for delinquent accounts in the Division of Utilities Administration; authorizing the appropriation of \$38,496 from the unappropriated balance of the Water Replacement Fund, \$47,448 from the Sewer Replacement Fund and \$3,581 from the Storm Water Replacement Fund and operating transfer of same into the Water Operating Fund, Sewer Operating Fund and Storm Water Operating Fund; authorizing the appropriation of an amount not to exceed \$38,496 from the Water Operating Fund, \$47,448 from Sewer Operating Fund and \$3,581 from the Storm Water Operating Fund; authorizing the expenditure in an amount not to exceed \$38,496 from the Water Operating fund, \$47,448 from the Sewer Operating Fund and \$3,581 from the Storm Operating Fund for redesigning the disconnection and reconnection processes for delinquent accounts; waiving competitive bid requirements of TMC Chapter 187; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The Division of Utilities Administration currently utilizes the SAP billing system to invoice residential customers on a quarterly cycle. By waiving the competitive bidding requirements of the TMC 187, this ordinance authorizes the city to enter into a professional services agreement with Deloitte Consulting LLP to revise the disconnection and reconnection process for non-payments.

Authorizing the mayor to enter into an agreement for the purchase of one (1) Trimble R12 Survey System; authorizing the expenditure of an amount not to exceed \$13,620 from the Capital Improvement Fund, an amount not to exceed \$5,500 from the Water Operating Fund, an amount not to exceed \$5,410 from the Storm Water Utility Operating Fund and an amount not to exceed \$1,170 from the Sewer Operating Fund for said purchase; waiving competitive procurement provisions of the TMC Chapter 187; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

Engineering Services owned two Trimble R8 Global Network Satellite Systems, both purchased in 2005. One unit was replaced in 2020, the second unit can no longer be repaired and has been deemed obsolete by the manufacture. The Trimble R12 has the ability to track three times the satellites as the current survey system along with the ability to connect to satellites in dense and wooded areas, which will allow surveys to be completed expediently, and with more accuracy. This system is available through Precision Laser and Instrument, Inc., which is a proprietary seller of Trimble products in the Toledo area. This legislation will authorize the replacement of the obsolete equipment.

Authorizing the appropriation and expenditure in an amount not to exceed \$1,000,000 from the Sewer Replacement Fund for the Plant Wide Facilities Plan at the Water Reclamation Plant; authorizing the mayor enter into agreements for professional engineering services necessary to facilitate the Plant Wide Facilities Plan; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

The Bay View Park Water Reclamation Plant is an activated sludge plant that serves the City of Toledo and surrounding communities, and operates continuously. Many of the plant facilities are over 30 years of age and are beyond the intended service life. The Plant Wide Facilities Plan is a study which will address the entire plant treatment system and collection system and develop a facilities plan to renovate, update, and replace the existing systems as necessary to provide continued service.

The Division of Water Reclamation has advertised for and received proposals for professional engineering services for this purpose. The Division seeks to utilize funds from the Sewer Replacement Fund, and

to further appropriate and expend such funds on the Plant Wide Facilities Plan.

Authorizing the disappropriation of \$200,000 from the 2019 Streets, Bridges & Harbor Matches and Planning Program and appropriation of the same to the Seawall Project, authorizing the expenditure of \$200,000 from the Seawall Project and the expenditure of \$92,641.43 from the 2019 Streets, Bridges & Harbor Matches and Planning Program for the purpose of Streets, Bridges & Harbor Capital Improvement Projects; authorizing the Mayor to accept bids and enter into agreements and contracts for improvement projects within the Division of Streets, Bridges & Harbor; and declaring an emergency.

Body: SUMMARY & BACKGROUND:

Every year, the Division of Streets, Bridges & Harbor (SBH) includes in its annual CIP fund request a line item for Matches and Planning. The above mentioned amount is remaining in the 2019 CIP appropriation to SBH that has not yet been expended. The reason for the delay in expenditure has to do with two delays in major bridge projects; Marengo and Secor over Ottawa. Marengo has since resumed construction and will be complete later this year and is now fully funded. Secor over Ottawa has received an additional grant and is sufficiently funded. That makes the remaining \$292,641.43 available for the completion of the Downtown Seawall Project (approximately \$200,000 needed), completion of Levee Improvements (approximately \$50,000 needed), as well as to plan for future projects such as Kuhlman Drive over NSRR. It is imperative that the Division of Streets, Bridges & Harbor's Matches and Planning Program be authorized immediately as there are strict deadlines for planning, design, environmental, bid, and construction associated with each grant fund source.
