Applicable Plans and Regulations

- Toledo Municipal Code Part Eleven: Planning and Zoning
- Toledo 20/20 Comprehensive Plan

STAFF ANALYSIS

The applicant is requesting a zone change from CR-SO Regional Commercial Shopping Center Sign Control Overlay and RS12 Single Dwelling Residential to CR Regional Commercial. The ±5.52 acres site is occupied by a formerly commercial structure and parking lot that is now used as a church. The site is surrounding by a shopping center to the north and east, a baseball diamond to the east, and residential neighborhoods to the south and west. The applicant is requesting the zone change to better align the zoning of the site with the property in its current use.

This zone change request accomplishes a multifaceted goal: First, while religious assembly is a permitted use in RS12 districts, the vast majority of the parcel is zoned commercial, and the portion zoned residential has already been developed in a commercial manner. Given the commercial history and build-out of the site, it is more practical to remove the residential zoning from the lot.

Second, the stated purpose of the Shopping Center Sign Control Overlay is to regulate the number, type, and location of signs in shopping center sites and other properties within the boundaries of designated -SO Districts. The regulations are also intended to encourage unified sign plans for multi-tenant shopping center sites. While the church does share driveway access with the abutting shopping center, the building is ±375 feet from the shopping center, and has small setbacks uncharacteristic of typical strip-style shopping centers. In the given context, removal of the Sign Control Overlay will not negatively impact the area, even if the site returns to a commercial use.

Toledo 20/20 Comprehensive Plan

The Toledo 20/20 Comprehensive Plan targets this area for Regional Commercial land uses. Regional commercial land uses are intended to accommodate auto-oriented development such as malls, big box retail stores & mixed-use development. The proposed zone change conforms with the Toledo 20/20 Comprehensive Plan.

PLAN COMMISSION RECOMMENDATION

The Toledo City Plan Commission recommends approval of Z-2001-22, a request for Zone Change from CR-SO Regional Commercial Shopping Center Sign Control Overlay and RS12 Single Dwelling Residential to CR Regional Commercial 2150 S Byrne to Toledo City Council for the following **two (2) reasons**:

1. The rezoning is consistent with the Comprehensive Plan and the stated purpose of the Zoning Code (TMC§1111.0606(A));
2. The rezoning is compatible with the existing land uses within the general vicinity of the subject property (TMC§111.0606(B)).
