Finance and Debt Committee

March 23, 2023

Please consider the environment before printing this document. If the document must be printed, please do so in black and white.

Introductions

Anne Bennett – Director of IT

Patty Lankey – Software Administrator

Lauren Schulze – Project Manager

Jenny Jaqua – Customer Service & Engagement Commissioner

Agenda

- Cityworks upgrade 3/5/2023
- HCM update
- Engage Toledo stats

The background is a teal-colored collage. It features mechanical gears on the left, a spiral-bound notebook with a pen on the right, and a clock face in the bottom right corner. Overlaid on the notebook are several circular icons: a power button symbol and two arrows pointing diagonally upwards and to the right.

Cityworks App updates

The background is a solid teal color. It features faint, large-scale patterns of interlocking gears and mechanical parts, suggesting an industrial or engineering theme. Overlaid on this are several circular icons: some contain a stylized 'G' or a power symbol, while others contain an upward-pointing arrow. The overall aesthetic is modern and technical.

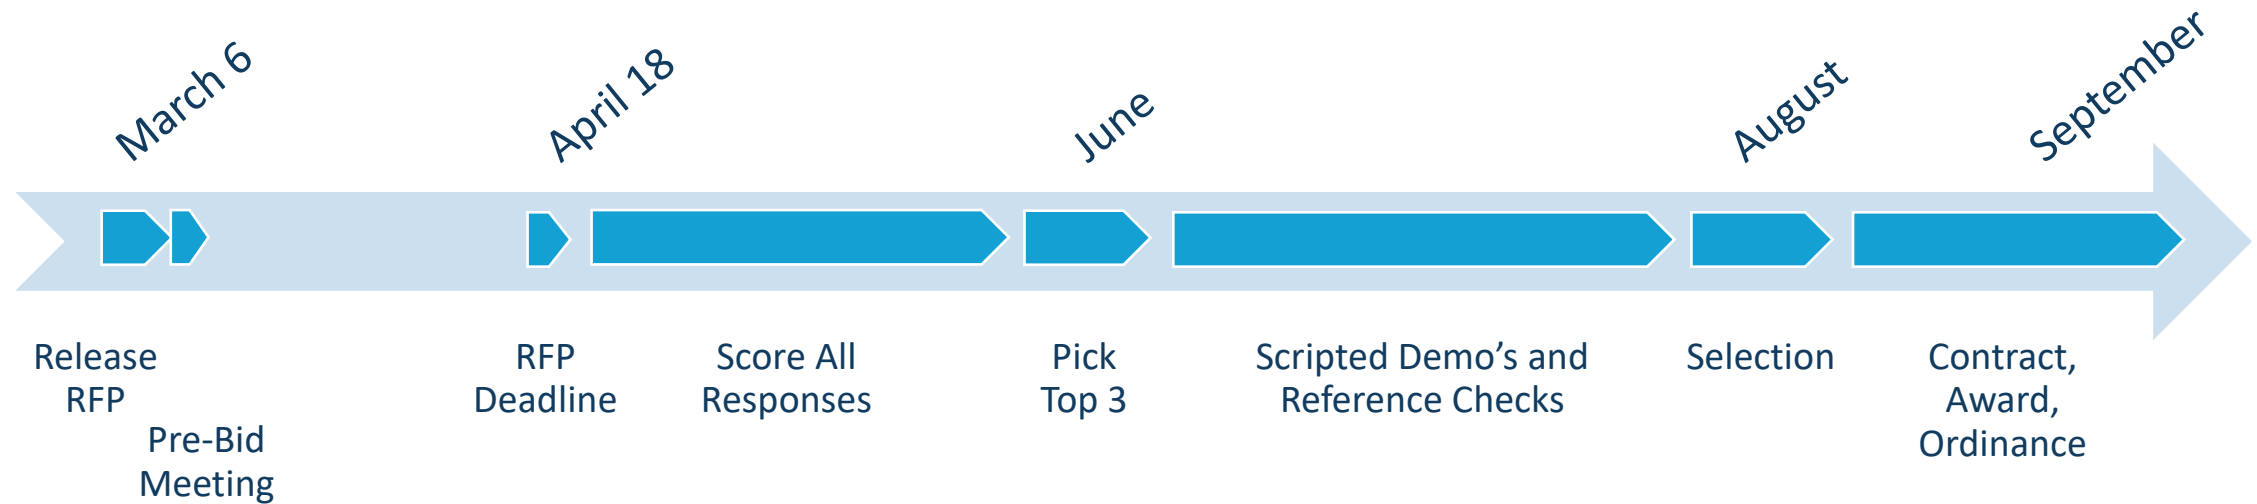

HCM Update
