STAFF ANALYSIS

The applicant is requesting the vacation of a 12' wide alley, located between the 100 blocks of Eastern Avenue and Western Avenue. The proposed vacation begins at the westerly lot line of Lots 40 & 41 within the Plat of the Railroad Addition and ends at the western boundary of Interstate-75. To the north of the alley along Eastern Avenue are four (4) single-family homes and multiple vacant lots. The alley terminates into Interstate-75 to the east with single-family homes to the west along Sumner Street and south along Western Avenue. On May 2, 2023, City Council approved a declaration of intent (*Res.254-23*) to vacate the requested portion of the alley.

The applicant owns the property at 131 Eastern Avenue and intends to consolidate a portion of land for the development of a detached garage on a vacant lot directly across the alley, to the south of their residence. As stated in TMC§1105.0602, residential garages must be located on the same lot as the principal building. Therefore, the applicant is requesting this portion of alley be vacated in order to meet the requirements of TMC§1105.0602.

Toledo 20/20 Comprehensive Plan

The Toledo 20/20 Comprehensive Plan targets this site and the surrounding area for Single Family Residential land uses. Single Family land uses typically include the development of single-dwelling units on individual lots and may also include libraries, schools, churches, and community centers that serve neighborhoods. The Single-Family Residential district is intended to create, maintain and promote housing opportunities for individual households, although it may include nonresidential uses, duplexes, and planned unit developments that are typically compatible with residential neighborhoods.

Staff recommends approval of the requested vacation because the proposed Vacation conforms to the Toledo 20/20 Comprehensive Plan. Additionally, the Division of Transportation has not objected to the proposed alley vacation.
