

Date: October 20, 2017
To: Council President Steven C. Steel and the Members of City Council
From: Council Member Lindsay M. Webb
Subject: CIP Fund Appropriation

For the past month I have been working with Mayor Hicks-Hudson, the Administration, and many Members of City Council, to fund many much needed improvement projects throughout our City. Attached is an ordinance that appropriates \$3,350,000 of available funds within the CIP Fund.

Friendship Park

Loop path, basketball court, play area, trees, and parking lot

Wilson Park

Loop path, parking lot, wood bollards, sidewalks, trees, and A/C for shelterhouse

Navarre Pool

New liner, plumbing and filtration equipment replacement, and steel support beams

Willys Pool

New filtration system, piping and fittings

Bowman Park Parking Lot & Sidewalks

Reconstruct pavement base, TMACOG grant to pave Chessie Circle Trail with kiosk at trailhead

Monroe St. street side parking

Construct street side parking at 4312-4314 Monroe St.

Roadway Projects

Reconstruct Midlawn Dr.

Reconstruct Southlawn Dr.

Waverly from Avondale to Dorr Street

900 block of Oakwood Avenue

1300/1400 block of Elmwood

Oakwood from Shenandoah to Upton

Micro surfacing walkway at the Docks

I look forward to discussing this appropriation with you and would appreciate your support.
