### **Louis M. Vasquez, BIO**

My name is Louis M. Vasquez, 3157 Daleford Drive, Toledo, 43614, (419) 377-7666. I am 68 years old. I was appointed to the Toledo Police Department on October 16, 1972. I retired with 39 years of service. I have worked various divisions of the police department. I have worked uniform and vice as a patrolman. I was promoted to sergeant and went back to the uniform division. I was then assigned to vice again as a sergeant. As a sergeant I worked vice, communications, SWAT, and the Metro Drug Task Force. I was the first line supervisor for the task force for almost thirteen years. The last six years of my career I worked the midnight shift in the crimes against persons unit (homicide).

Since my retirement I have been actively involved in an environmental group, Tree Toledo, through the Holy Spirit Community. We give away tree saplings at various church and community events. We have planted trees at schools, churches, and community organizations. Recently we partnered with the Junction Coalition and planted fruit trees at their community garden in the 1300 block of Blum Street. I am very proud of the efforts of the Junction Coalition. As you know this is a part of town that has had a history of violence and drugs. The coalition is countering that with hands on mentoring and community involvement.
