I would like to apply for membership in this commission. I have been a resident of Toledo for many years, taught at the University of Toledo, lectured to many organizations in Toledo and throughout the states of Ohio and Michigan about cultural and religious diversity and about understanding the Arabic Islamic culture and tenants in order to bring about a rapport between the different communities. As you can see from my brief CV, I am quite diversified in my educational background. Furthermore, I have lectured to the following groups in Lucas and Wood counties: such as Child and Family services, UTMC, new police recruits, Lawyers, judges and detectives, churches and universities about understanding the Arabic and Islamic cultures and tenants.

I have also begun with a group of Franciscan sisters called STOP twelve years ago teaching the problem of labor and sex trafficking in our area and across the United states. I have done workshops for Catholic Schools teachers about these subjects for the last two years since such a course is not mandated by the Catholic Board of Education in contrast to Toledo Public Schools whereas my daughter Mona Al-Hayani has been doing these workshop for TPS teachers. I am willing to work diligently to accomplish the objectives of such a commission
