Honorable Council President Matt Cherry and Members of Toledo City Council,

I am pleased to present for your review and consideration, the proposed 2019 operating budget. The proposed 2019 capital budget will be presented before the end of 2018, and it is my hope both budgets will be approved in January.

An important theme for this administration is to create a more transparent process between Council, the executive team, and our employees. During the 2019 budget planning process, we continued to engage the budget taskforce created earlier in the year to ensure council members were included throughout the entire budget planning process. We added an additional layer of transparency by ensuring committee chairs met with their respective departments to discuss potential budget solutions and operational needs prior to submitting the draft budget for your review. As always, we will work with Council to ensure opportunities for public input through the public hearing process.

There has been much discussion regarding the priority based budgeting process used in the past to prioritize activities when determining how public resources will be used to maximize service delivery. We expanded on this process by engaging cabinet members and their leadership teams in a strategic planning discussion that resulted in the following priorities:

- 1. Excellence in providing basic services.
- 2. Thoughtful community investments that improve the quality of life for people who live, work, and play in Toledo.
- 3. Investing in our employees so that they feel connected, valued, and appreciated and take pride in providing excellent service to our residents.
- 4. Ensuring environmental resources and infrastructure are efficient and sustainable for long-term viability.

The 2019 proposed budget aligns with the above priorities and includes, but is not limited to, the following activities to accomplish these priorities:

- 1. Address public safety needs by allocating funds for a firefighter class of 40 beginning in February and a 40-member police officer class beginning in July.
- 2. Identify opportunities to leverage resources for increased investment in our environment and neighborhood infrastructure with a regional water system and identifying collaborative opportunities for neighborhood revitalization.

- 3. Ensure we are attracting and retaining top talent with the knowledge, skills, and abilities to provide excellent services to our residents by addressing concerns identified in the employee engagement survey.
- 4. Begin important conversations that will invest in future workforce development needs by identifying resources to educate our youngest Toledo residents.

The proposed general fund budget revenues and expenditures total \$268 million. We have proposed a capital improvement fund transfer to the general fund of \$7.8 million. While this number may seem larger than you may want given our infrastructure needs, we will continue to use the same diligence to identify cost savings measures as we have done in 2018. As a result, we do not need to transfer the budgeted \$2.1 million from the capital budget and we anticipate ending the year under budget. In 2017, nearly \$11.1 million was budgeted to transfer from the capital budget and was not necessary. This was the first time in years that the city of Toledo was able to forgo a transfer to the general fund. Once again, it is our goal not to make a capital transfer to the general fund in 2019. This is proof that our economy continues to improve as evidenced by our record high income tax revenue estimated at \$184.3 million in 2019.

We are proud of the lists of 2018 accomplishments that not only have regional impact, but also significantly impact our ability to provide high quality services to our residents. These accomplishments include, but are not limited to, the first unanimously passed balanced budget since 2013; increasing the size and diversity of our police force with approximately 40 graduates and another 40 potential new officers; resurfacing more miles of roads than any year in the past two decades; creating a bike share program; securing funding to clean up the long-blighted former Champion Spark Plug site; and helping lead a neighborhood coalition to save historic St. Anthony Catholic Church from demolition.

We believe the 2019 proposed budget will allow for greater success and partnership between Council and the administration to ensure our residents *will do better in Toledo*.

Sincerely,

Wade Kapszukiewicz, Mayor

Toledo Profile

History:

Toledo is the fourth most populous City in the state of Ohio. Toledo is in northwest Ohio, on the western end of Lake Erie, and borders the state of Michigan. Toledo's history dates back to 1794, when General Anthony Wayne won a decisive victory at the Battle of Fallen Timbers over a coalition of Native American tribes to open the area for settlement. The City was founded in 1833 on the west bank of the Maumee River and was originally incorporated as part of Monroe County, Michigan Territory. It was re-founded in 1837, after conclusion of the Toledo War, when it was incorporated in Ohio¹.

Toledo Today:

The population of Toledo as of the 2010 Census was 287,208 and a 2017 population estimate shows the population is down slightly to 276,491. Toledo has a multicultural heritage and contains a number of neighborhoods that retain their international ties. It is the model midwestern city with a high quality of life and a low cost of living. Toledo is a proud, vibrant and diverse community that is home to a number of first-class academic institutions, a modern public school system, the internationally recognized Toledo Museum of Art, a spectacular zoo, world class parks, premium restaurants, nationally and internationally known products, a reenergized downtown, vibrant neighborhoods, top-rated healthcare systems, and an exemplary public library system.

City of Toledo Population Breakdown²

Population (estimate, July 1, 2017): 276,491

Median Resident Age (2010 Census): 34.2 years

Median household income (2012-2016): \$34,548

Since the 2008 recession, the Toledo economy has improved and the unemployment rate has dropped to 5.40%.

City Government

The City operates under and is governed by its Charter, which was first adopted by the voters in 1914 and has been and may be amended by the voters from time to time. The City is also subject to certain general State laws applicable to all cities. Under the Ohio Constitution, the City may exercise all powers of local self-government, and police powers to the extent not in conflict with applicable, general laws.

Legislative authority in the City is vested in a 12-member Council. Six members of the Council are elected atlarge and six from districts within the City, all for overlapping four-year terms. The Council is authorized to enact ordinances and resolutions relating to City services, tax levies, appropriating and borrowing money, licensing and regulating businesses and trades and other municipal activities. The Council also has authority to fix the compensation of City officers and employees. The Council annually elects one of its members to serve as the President of Council, its presiding officer.

The City's chief executive and administrative officer is the Mayor, who is elected by the voters to that office for a four-year term. The Mayor has authority to hire certain assistants and, subject to Council approval, to appoint the directors of all City departments, the commissioners of all City divisions, the members of all City boards and commissions and, with the additional approval of the applicable board or commission, the chief administrative officers of agencies under their jurisdiction. The Mayor is responsible for preparing a detailed annual budget estimate, keeping the Council advised of the financial condition and needs of the City and, generally, exercising all other executive and administrative powers and performing such duties as are conferred by the Charter or by State law on mayors or municipal chief executive officers.

The Mayor has authority to introduce ordinances, resolutions and other matters before the Council, to take part in the discussion of all matters coming before the Council, to vote on legislation before the Council if necessary to break a tie vote and to veto any legislation passed by the Council. Vetoes may be overridden by a three-fourths vote of all members of the Council.

Toledo Economy

Toledo has a diverse economy bolstered by three major industries: manufacturing, healthcare and education. Toledo is home to the world headquarters of major corporations, including Owens Corning and Libbey, Inc. Other major employers include The University of Toledo and Medical Center, Fiat Chrysler Automobiles, General Motors Corp./GM Powertrain, ProMedica Health Systems (ProMedica), Mercy Health Partners, and Toledo City School District. With ten major financial institutions, Toledo is also the banking and finance center for northwest Ohio. In the Toledo Metropolitan Statistical Area (MSA) employment has become increasingly diversified.¹

Toledo's Three Major Industries:

Manufacturing:

Manufacturing comprises approximately one-fifth of Toledo's economic base. Hundreds of manufacturing facilities are located in the Toledo metropolitan area. This includes automotive assembly and parts production plants as well as glass and solar panel production facilities.

Fiat Chrysler Automobiles, the largest manufacturing employer in the Toledo MSA, completed a \$700 million project at its Toledo Assembly Complex in the City and commenced a retooling of its Toledo South Plant to prepare for the production of the next generation Jeep Wrangler and a new Jeep Wrangler pick-up truck model. Various industry sources have estimated that annual Jeep Wrangler production at the Assembly Complex will increase to 400,000 vehicles annually. Production of the new Jeep Wrangler pick-up is expected to commence in 2019. The City is investing approximately \$850,000 to improve roadways near the Assembly Complex in support of the project. According to Fiat Chrysler Automobiles, employment at the plant will increased by 700 when the improved Assembly Complex achieves full production in 2019.¹

Healthcare:

Healthcare has emerged as one of the strongest industries in Toledo. The healthcare industry has grown with the expansion of ProMedica Health System and Mercy Health Partners, the two largest providers in northwest Ohio. Combined, these two companies employ over 23,000 people.²

Mercy Health Partners is investing more than \$1 billion in its current facilities and will maintain more than 2,700 employees. Much of this investment is in the downtown area.

A more than \$50 million renovation of the Steam Plant and Promenade Park for ProMedica Health System's Headquarters has been completed in downtown Toledo. In 2019 ProMedica has committed to having 2,500 total jobs, at an average salary of not less than \$48,000, in the Downtown area.

In addition to ProMedica Health Systems and Mercy Health Partners, Toledo is home to the University of Toledo Medical Center (UTMC). The UT Medical Center at the Health Science campus is educating the next generation of physicians, nurses and other health care professionals.

Education:

The education industry also plays a significant role in Toledo's economy as Toledo is home to several educational institutions. Located in the City, the University of Toledo is a State university with enrollment of more than 16,194 undergraduate students and 4,385 graduate and professional students, making it the seventh largest of the 13 public universities in the State. The University and its medical center employ approximately 6,662 people.3 The Toledo area is also home to Owens Community College and Lourdes University.

Toledo also has the fifth largest public school system in the state of Ohio with approximately 22,056 students. The Toledo School District employs approximately 4,393 people in its administrative, teaching and support staff. Toledo is also home to the Washington Local School District in northern Toledo. Several charter schools and private primary schools are also present in the Toledo area.

2019 Budget Highlights

The 2019 budget continues to support public safety, the strengthening of the City's financial position, economic and neighborhood development and improved public utilities.

Support Public Safety

The 2019 budget funds a new police class of 40 officers scheduled to start in July. With the addition of these new officers, the Police Department will provide services to further protect the community.

The Police Department has made it a priority to continue to foster and improve relationships with Toledo citizens. The department holds a monthly Coffee with a Cop day and the Police in the Park Program. During the Coffee with a Cop, the Chief of Police and officers meet in a local coffee shop and welcome citizens to join them, ask questions and engage in conversation. The Police in the Park initiative invites citizens to meet and talk with officers in an open, positive and welcoming environment. Additionally, the department has a strong Chief's Advisory Board and maintains strong Block Watch and Safe-T-City programs.

The Police Department has and will continue practicing "beat integrity" which means officers are assigned to the same neighborhoods in order to understand the specific problems of the area and respond more effectively. In addition, the Police Department also will continue the Community Initiative to Reduce Violence (TCIRV), a community based policing effort targeting gang members to help deter crime in all neighborhoods around the City.

In 2019, the Fire & Rescue Department will continue its mission of protecting the community from fires and other emergencies. The department will continue to promote community education related to fire safety, emergency disaster planning and continuous training for all fire personnel. In February of 2019, the department will add 40 new fire recruits. Upon graduation, the recruits will be certified as State of Ohio Firefighters and certified as Emergency Medical Technicians.

Maintain Fiscal Stability

The Administration is committed to long term financial stability and maintaining or improving the City's bond ratings. In August of 2018, the City's bond ratings were affirmed by the rating agencies Moody's and Standard and Poor's. Moody's affirmed the City's A2 rating with a stable outlook and Standard and Poor's affirmed the City's A- rating with a stable outlook.

The 2019 budget includes a transfer of funds from the Capital Improvement Fund to the General Fund to support operating expenditures. Previous budgets relied on as much as a \$14,100,000 transfer. The 2019 proposed budgeted transfer from the Capital Improvement Fund to the General Fund is \$7,787,000.

The City of Toledo continues to participate with Ohio Checkbook. Ohio Checkbook, an initiative through the Ohio Treasurer, is an online tool that enables citizens to view expenditures by a number of different categories (fund, department, vendor), with the ability to drill down to individual transactions. Toledo was the first major city in Ohio to have expenditure data available on the Ohio Checkbook website. Now, all citizens can view detailed information regarding the City's expenditures by logging on to toledo.ohiocheckbook.com.

2019 Proposed Annual Operating Budget

Economic and Neighborhood Development

In 2018 the department of Business & Economic Development and the Department of Neighborhoods was brought under one director, and combined into the newly created Department of Neighborhoods & Business Development. In 2019, the Department of Neighborhoods & Business Development will continue its work to support the creation and retention of employment opportunities and stabilization of neighborhoods in Toledo. Incentive tools include gap financing, property tax exemptions and income tax credits. The department will continue working on land assembly in over a dozen areas of the City to promote job creation. Development specialists will work with new and existing businesses to navigate the processes associated with building construction and expansion.

The department will continue to eliminate barriers and assist in making Toledo a business-first environment by providing financial incentives, technical support and by promoting Toledo's strategic location. To assist businesses and homeowners, the City's Division of Building Inspection accepts construction documents for review and disburses them to other City departments for review. Additionally, division staff inspect new and rehabilitated industrial, commercial and residential construction, investigate complaints of illegal and unauthorized work, and work with Toledo Police and Toledo Fire to inspect complaints of building and zoning code issues.

The City's Department of Neighborhoods & Business Development also administers the Community Development Block Grant (CDBG) and HOME programs and coordinates the City's community development activities. The CDBG and HOME programs, funded by Housing and Urban Development, are designed to carry out a range of activities for neighborhood revitalization, economic development, public services and housing. A highlight for 2019 is the creation of the Neighborhood Navigator position to better connect residents and businesses to city resources and increase neighborhood engagement.

The City is continuing to partner with the Land Bank in 2019. In 2016, the Land Bank received a \$15.7 million federal grant of Hardest Hit Funds, through a program administered by the U.S. Department of the Treasury, to be used to demolish or renovate 1,500 vacant properties by September of 2020. The division of Streets, Bridges and Harbor provides demolition services to the Land Bank. In 2019, an estimated 400 blighted properties will be demolished.

2019 Proposed Annual Operating Budget

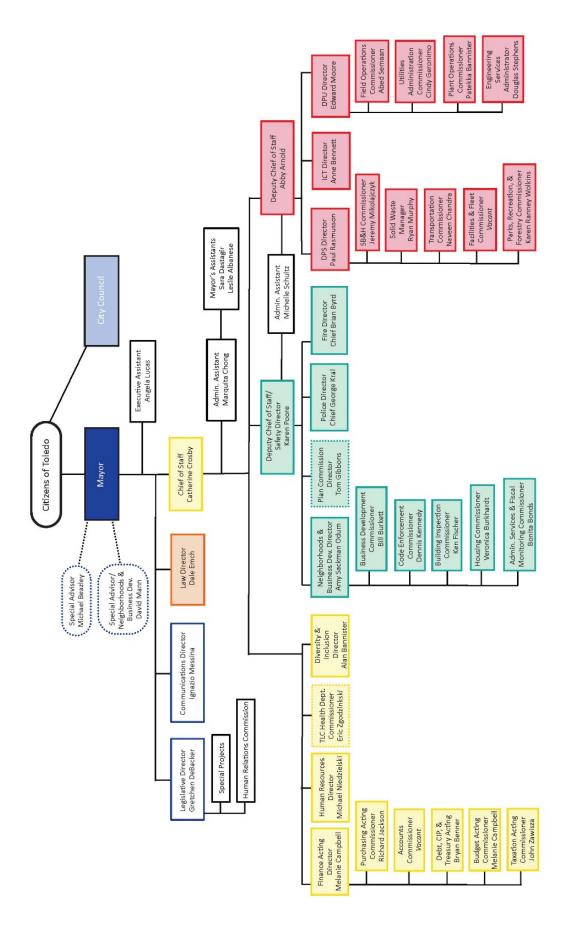

Improve Public Utilities

The City of Toledo water system consistently serves approximately 130,000 customers estimated to represent over 500,000 people.

The City's Department of Public Utilities is currently undergoing significant improvements and renovations at the Water Treatment Plant. In September of 2016, the Department of Public Utilities Issued over \$64,000,000 of Water Revenue Bond Anticipation Notes to support the Water Utility System. From 2013 – 2022, the City expects to complete \$499 million of capital improvement projects for the Water Utility System. In addition, the City has begun a major program of improvements to rehabilitate and replace portions of the Water System's intake, treatment and distribution facilities.

Regional Water Discussion

The idea of some form of regional water system has been discussed and studied in the Toledo region for more than 25 years. Elected officials and administrators from the City and all the communities that purchase water from the City (i.e., the Counties of Fulton, Lucas, Monroe (Michigan), and Wood (Northwestern Water and Sewer District) and the Cities of Maumee, Perrysburg, Sylvania, and the Village of Whitehouse) have been meeting for many months as the Regional Water Planning Committee, a committee of the Toledo Metropolitan Area Council of Governments. In November of 2018, citizens approved a ballot proposal to amend the Toledo City Charter to allow a regional waster commission to form.

Budget Preparation and Process

2019 Proposed Annual Operating Budget

Budget Preparation and Process

Policy and Process:

Section 45 of the Charter of the City of Toledo identifies the fiscal year for the City as beginning on the first day of January and requires that on or before the fifteenth day of November of each year, the Mayor must prepare a balanced budget estimate of the expenses of conducting the affairs of the City for the following fiscal year. The estimate is compiled from detailed information obtained from the various City departments.

This document represents the 2019 balanced operating budget. Per the Charter, Council is required to pass a balanced budget no later than March 31, 2019.

Prior to passage, the Administration works with City Council to hold budget hearings to review all departmental budget requests and discuss revenue and expenditure assumptions. Information about these budget hearings may be found on the City's website as they are scheduled. There are opportunities for public input at these meetings.

Background:

The City's budget process emphasizes the role of departments and divisions in all stages of the process: the initial crafting of the budget, the presentations to City Council, and the ongoing monitoring of the budget throughout the year. The budget works from the assumptions that (1) the role of departments is to fully know and understand the programs that their department is responsible for, including the budgetary implications of those programs, and (2) the role of the Finance Department is to coordinate the budget process, provide technical assistance to departments as needed, and moderate the budgetary requests of departments given scarce resources. The process as a whole is an interactive one. The Finance Department maintains an open dialogue with departments and divisions. Departments and divisions also utilize the City's SAP financial system for reports that help to guide decision making on their own and within the parameters of an approved budget.

City of Toledo Budget Elements

<u>Revenue Budget</u>. The revenue budget includes all dollars expected to be received by or as a result of the operations of any agency of the City of Toledo.

<u>Expenditure Budget</u>. The expenditure budget includes all operating dollars expected to be expended for any purpose from any fund by any agency of the City of Toledo. It is subdivided into the personnel and non-personnel budgets.

<u>Personnel</u>. The personnel portion of the budget includes all regular and supplemental wages paid to City employees. It also includes the cost of benefits associated with these wages, including medical and pension benefits.

<u>Non-personnel</u>. The non-personnel portion of the budget includes purchases of goods and services aside from personnel, including supplies, contractual services, utilities, and other items.

<u>Funds</u>. The City of Toledo has several different funds, including the General Fund and the Capital Fund. All revenues and expenditures flow into and out of one or more of these funds. The vast majority of the attention paid during the budget process is to the revenues and expenditures associated with the General Fund. However, the budget process includes development of a budget that covers all City funds.

<u>Grants</u>. Grants are funds which are received by the City from outside entities including the state and federal governments. Depending on the purpose of the grant and the timeframe of the grant, the City usually has the capability to carry the funding until the completion of the grant work. Upon grant award, departments prepare legislation to accept and appropriate the final grant award.

<u>Capital</u>. The Capital portion of the budget includes income tax funded capital projects and equipment purchases in excess of \$5,000 and with a useful life of at least five years. Elements of the capital budget also include debt service obligations, projected borrowing, project support costs, and 1% for the Arts contribution.

City of Toledo Budget Book Organization

The operating budget provides a framework for preserving priority city services within financial constraints. The City of Toledo is organized on a department/divisional basis and operations are accounted for through various funds and cost centers. Each divisional budget is within a particular fund of the City, with revenue and expense items assigned to various cost center and commitment areas. Each department budget is presented in this book by showing expenditures by fund, expenditures by category, and a full-time equivalent (FTE) budgeted position history.

2019 Proposed Annual Operating Budget

General Fund Revenues and Other Sources

Income Taxes

Revenue from income taxes accounts for the largest share of General Fund resources. The City's income tax rate is 2.25%, of which 1.5% is permanent and 0.75% is temporary and must be renewed by voters every four years. This additional ¾% tax has been renewed by voters consistently since the initial authorization in 1982. This tax is a flat tax of 2.25% applied on all wages earned within the City and on all wages earned by residents of Toledo outside the City. The allocation of the 2.25% income tax is below.

Municipal Income Tax Allocation

				Capital
Tax Rate		General	Police/Fire	Improvements
1.00%	Permanent	1.00%		
0.50%	Permanent	0.25%		0.25%
0.75%	Temporary	0.25%	0.25%	0.25%
Totals:				
2.25%		1.50%	0.25%	0.50%

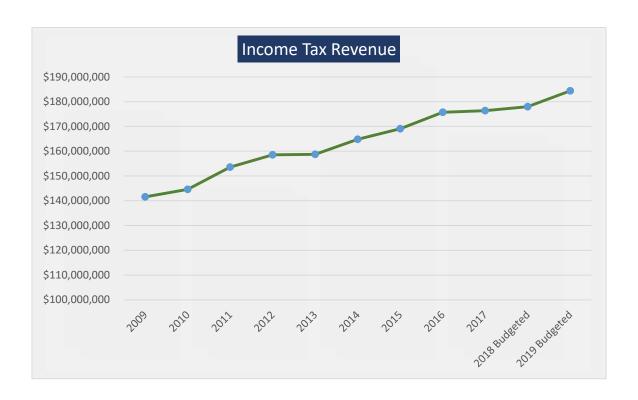

There are three categories of income tax receipts: withholding, business and individual. Withholding taxes are all tax receipts withheld by employers and reported on W-2s. Business taxes are taxes paid on business net profits. Finally, individual taxes are taxes required to be remitted by individuals who do not have tax withheld on a W-2 but who work or live in the City of Toledo.

The 2019 proposed budget estimate projects income tax collections totaling \$184,341,000. The 2018 approved budget estimated \$178,000,000 in income tax collections and projections for the year indicate final collections will exceed this amount.

General Fund Revenue and Other Sources (continued)

Property Taxes

The General Fund also receives revenue from property taxes. The 2019 budget estimates \$12,337,500 in property tax receipts. Property taxes represent 4.60% of total General Fund revenues.

Licenses and Permits

License and permit fees account for 1.18% of total General Fund resources. The 2019 budget estimates license and permit revenue totaling \$3,161,620, a decrease compared to the prior year budget of \$3,335,873. The 2019 budget estimate anticipates fee increases for Building Inspection permit fees

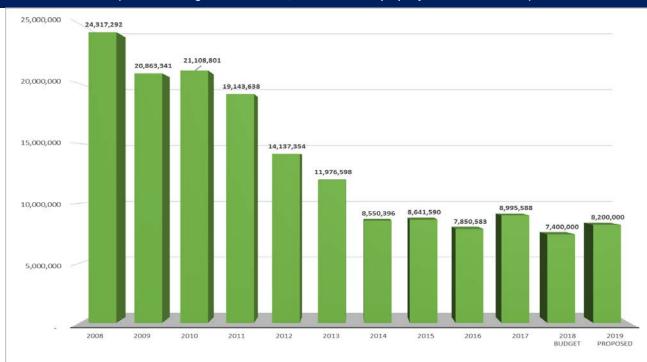

Intergovernmental Services

Intergovernmental services revenue includes local government funding received from the state, estate taxes, casino revenues, beer, liquor and cigarette taxes, joint economic development (JEDZ and CEDA) income and property tax payments associated with homestead and rollback. Declines in local government funds over the previous 10 years have resulted in the need for the City to rely on voter authorized transfers from the Capital Improvement Fund to support operating expenditures.

The 2019 estimate for state revenue sharing is \$8,200,000. This includes \$7,700,000 from the undivided local government distribution and \$500,000 from the direct municipal local government distribution.

State Revenue Sharing

(Includes local government funds, estate taxes and property tax reimbursements)

2019 Proposed Annual Operating Budget

General Fund Revenue and Other Sources (continued)

Intergovernmental Services (continued)

Casino revenues represent the second largest portion of intergovernmental services revenue. The 2019 budget estimates \$5,800,000 in casino revenues. Revenues in this category are consistent with the collections in 2017 and projected collections in 2018.

Intergovernmental revenue also includes JEDZ and CEDA income and beer, liquor and cigarette taxes. Compared to 2017, the budget projects an increases in JEDZ and CEDA income and in beer/liquor and cigarette tax revenue. Revenue received from JEDZ and CEDA income is estimated to increase from \$1,800,000 to \$1,870,000. Beer, liquor and cigarette tax revenue is estimated to increase from \$425,000 in 2018 to \$437,000 in the proposed 2019 budget.

Estimated homestead and rollback property taxes are expected to increase in 2019 to \$1,762,500, compared to \$1,615,000 in the 2018 budget.

Charges for Services

Funds received from charges for services account for the second largest category of General Fund revenues. The 2019 budget estimates \$28,704,486 in this category. This includes revenue from cable fees, ambulance and emergency medical service billing, overhead cost allocations, cemetery and landfill disposal fees, refuse collection fees and other miscellaneous fees. Compared to 2018, projected revenue from charges for services has decreased by \$1,194,858.

Revenue from refuse and recycling collections represents the largest portion of charges for services revenue at \$11,960,000. Monthly collection fees were increased in 2016. The proposed 2019 budget does not include any increase in this fee.

Ambulance billing and emergency medical service revenue is projected at \$7,060,470 for 2019. These revenues account for the second largest portion of charges for services revenues and are anticipated to increase by \$135,742 over 2018 budget estimates.

Cable franchise fees are estimated at \$2,165,000 for 2019, compared to \$2,700,000 in the 2018 budget.

Fines and Forfeitures

Fines and forfeitures revenue includes red light and hand-held speed camera revenue, court costs and fines. Total 2019 estimated revenue is \$10,121,314. Revenue received from red light and speed violations is estimated at \$7,400,000 for 2019. Of this total, \$1,800,000 is anticipated from stationary cameras and \$5,600,000 is anticipated from hand-held speed cameras. Revenue from court costs and fines is projected at \$2,721,314.

2019 Proposed Annual Operating Budget

General Fund Revenue and Other Sources (continued)

Investment Earnings and Other Revenue

Investment earnings reflects interest revenue recorded in the General Fund. The 2019 budget estimates \$742,500 in interest earnings, an increase of \$281,500 over 2018 budget.

Other revenue is budgeted at \$986,580 in 2019. This category includes revenues for the Police Department to offset a portion of the cost of school resource officer salaries, sponsorship proceeds for the ToleGO bike sharing program and miscellaneous revenues received by several departments.

Operating Transfers

In 2018, operating transfers revenue totaled \$9,321,760. This includes transfers from the Capital Improvement Fund, the Tow Lot Fund, and the Golf Improvements Fund. The 2019 proposed budget estimates transferring \$7,787,000 from the Capital Improvement Fund. Other proposed transfers for 2019 include \$1,384,760 from the Tow Lot Fund and \$150,000 from the Golf Improvements Fund.

2019 Proposed Annual Operating Budget

General Fund estimated revenues and other sources total \$267,953,900 in 2019. Income tax revenues account for 68.80% of total General Fund resources and support the Police and Fire & Rescue Departments and other general government functions, like finance, human resources and law. They are also used to fund capital improvements.

2019 Proposed Annual Operating Budget

General Fund Expenditures and Other Uses

Base Salaries & Wages

The 2019 proposed budget for base salaries and wages totals \$117,710,861. This category includes base wages, compensated absences and other contractual payments. Compared to 2018 budget levels, estimated costs for 2019 have increased by 5.47% due to contractual obligations and increased staffing in the Police and Fire & Rescue Departments.

Police and Fire & Rescue Departments account for the largest portion of base salary and wage expenditures at \$96,979,302 or 82.39% of the total budget. This 2019 estimate represents a \$5,282,787 increase over 2018. Wages for all other General Fund departments total \$20,731,559 for 2019 and have increased by \$821,143 or 4.12% over the 2018 budget.

The compensated absences budget of \$300,000 is flat compared to the 2019 budget.

Overtime

The proposed budget anticipated \$6,340,295 for overtime expenditures in 2019. Of this total, the Police Department proposed overtime is \$2,974,000 and the Fire and Rescue Department proposed overtime is \$3,085,764. The Fire and Rescue Department anticipated recall overtime will be required during the first half of 2019 until the February recruit class of 40 graduates in late summer.

Overtime for all other departments totals \$280,531 in the proposed budget.

<u>Severance</u>

Severance expenditures in 2019 are estimated at \$2,037,109. Estimated severance expenditures are projected by each department based on the number of retirements anticipated during the year and the associated accrued sick time eligible to be paid out at retirement. Compared to the 2018 budget, total expenditures are estimated to decrease by \$97,282.

Pension

The City participates in the Ohio Public Employees Retirement System (OPERS) and the Ohio Police & Fire Pension Fund (OP&F). Required employer contributions for these plans are 14% of eligible wages for employees other than police officers and firefighters and 19.5% of eligible wages for police officers and 24% of eligible wages for firefighters. The proposed budget for pension is \$24,128,556 for 2019. Pension expenditures are impacted by changes in base wage and overtime expenditures. With increased wages and additional full time equivalents budgeted for 2019, associated pension expenditures are also anticipated to increase. In total, pension estimates have increased by 6.06% over 2018 budget levels.

Employment Taxes & Medical

Employment tax and medical expenditures include workers' compensation, Medicare costs, unemployment compensation and medical insurance expenditure estimates. The 2019 budget proposes \$30,066,412 in total for these expenditures. Medical insurance is anticipated to increase in 2019 due to additional staffing. A decrease is proposed in the workers' compensation budget. Estimated medical costs total \$25,219,833 in the 2019 proposed budget. Workers' compensation costs total \$2,930,367 for 2018, a decrease of 5.99% compared to the 2018 budget.

2019 Proposed Annual Operating Budget

Other Personnel Expenses

Total proposed budget for other personnel expenses is \$1,245,851 in 2019. Other personnel expenses includes contractual stipends for Police and Fire & Rescue, tool and auto allowances and other contractual obligations. An increase in these expenditures is anticipated for 2019. Compared to 2018 budgeted levels, expenditures have increased by \$57,236.

Salary Savings and Other Reimbursements

The total budget for salary savings and other personnel reimbursements proposed for 2019 is \$1,947,000. This includes salary, wage and fringe benefit savings of \$1,500,000 to achieve by delaying the filling of vacant civilian positions for City departments. This also includes reimbursements for the Division of Building Inspection totaling \$115,000, which are anticipated as part of the City's agreement with the Lucas County Land Bank for vacant property demolitions. Additionally, the Fire & Rescue Department has been awarded a SAFER grant to fund a portion of new firefighter salaries over three years. For 2019, \$332,000 is budgeted as reimbursement in the General Fund to account for this new grant.

Supplies, Services and Other Non-Personnel Expenditures

The 2019 budget for supplies, services and other non-personnel expenditures totals \$48,015,416.

The budget for supplies has decreased by 1.67% compared to 2018 for a total proposed budget of \$3,208,670.

The proposed budget for services has increased compared to the 2018 budget from \$42,801,809 to \$44,090,236. This includes additional funds proposed for park mowing operations, the ToleGO bike share program, increased contractual costs for refuse and recycling collections and increased internal service costs for insurance and data processing.

General Fund debt expenditures are budgeted at \$711,510 in 2019. This budget covers debt payments related to the Dura and Stickney-Tyler landfills.

Operating Transfers

Budgeted operating transfers to other funds totals \$40,356,400 proposed for 2019. The largest transfer out of the General Fund results from the portion of the income tax transferred to the Capital Improvement Fund. This transfer is budgeted at \$40,298,000 for 2019.

The total General Fund budget is \$267,953,900. Labor expenditures account for 67.02% of the overall total.

2019 Proposed Annual Operating Budget

Toledo City Council

Toledo City Council is the legislative branch of City Government and operates in accordance with the provisions of the Charter of the City of Toledo, first adopted by the voters in 1914 and amended by the voters from time to time. City Council has seven standing committees that meet at the call of the Chair of the Committee. The standing committees are: City Council Advancement & Accountability, Education, Recreation & Employment, Finance & Budget Oversight, Neighborhoods, Community Development & Health, Public Safety & Criminal Justice Reform, Regional Growth & Development, Urban Revitalization & Small Business Enterprise, Water Quality, Streets & Infrastructure and Zoning & Planning.

Legislative authority in the City is vested in a twelve-member Council. Six members of the Council are elected atlarge and six from districts; all for four-year terms. The Council is authorized to enact ordinances and resolutions relating to City services, tax levies, appropriating and borrowing money, licensing and regulating businesses and trades and other municipal activities. The Council also has authority to fix the compensation of City officers and employees. The Council elects one of its members to serve as the President of Council, its presiding officer.

Funding Sources:

Toledo City Council is funded 100% from the General Fund in the proposed 2019 budget.

2019 Highlights

Expenditure Summary by Fund

The 2019 budget supports all members of the City Council office. In addition to the 12 Council members, there are four Council Aides who each assist three members.

Office of the Mayor

Toledo operates under a strong Mayor form of government. Accordingly, the Mayor, who is elected to that office for a four-year term, serves as chief executive of the City. The Mayor has authority to hire certain assistants and, subject to Council approval, to appoint the directors of all City departments, the commissioners of all City divisions, the members of all City boards and commissions and, with the additional approval of the applicable board or commission, the chief administrative officers of agencies under their jurisdiction. The Mayor is responsible for preparing a detailed annual budget estimate, keeping the Council advised of the financial condition and needs of the City, and, generally, exercising all other executive and administrative powers and performing such duties as are conferred by the Charter or by State law on mayors or municipal chief executive officers.

The Mayor has authority to introduce ordinances, resolutions and other matters before the Council, to take part in the discussion of all matters coming before the Council, to vote on legislation before the Council if necessary to break a tie vote and to veto any legislation passed by the Council. Vetoes may be overridden by a three-fourths vote of all members of the Council.

The Mayor and his staff provide overall policy direction and oversee the provision of City services using the revenues provided and entrusted to the municipal government by the City's residents.

Funding Sources:

The Mayor's Office is primarily funded by the General Fund. One Deputy Chief of Staff and other administrative support staff are funded partially by the Water and Sewer Operating Funds, Street Construction, Maintenance and repair Fund, the Capital Improvement and Special Assessment Funds.

2019 Highlights:

The 2019 budget supports 10.75 FTEs including the Mayor and administrative support staff. Labor expenditures account for 91.65% of total expenditures.

Toledo-Lucas County Plan Commission

The Toledo-Lucas County Plan Commission seeks to create a community with a high quality of life and access to economic opportunity for all residents. The department provides guidance on land use decisions and coordinates planning functions among constituent jurisdictions – The City of Toledo, Lucas County, and the eleven Lucas County townships.

Funding Sources:

The Plan Commission is funded through the General Fund, Federal Block Grant Funds, grants funding from Lucas County, and the Capital Improvement Fund.

2019 Highlights:

The Plan Commission is responsible for updating the comprehensive plan for the City of Toledo. This establishes the overall character, extent and location of various land uses.

The City of Toledo General Fund provides 59.26% of funding for the Plan Commission, while the other 40.74% is provided by Lucas County, federal block grants and capital improvement funds.

Labor expenditures for the Plan Commission constitute 95.20% of total budget. In 2019, the proposed budget funds an additional Associate Planner position in the General Fund and a Landscape & Site Plan Inspector.

Human Relations Commission

The Human Relations Commission was created in 2018 to support a safe, energetic, and livable city. The commission will support residents working to overcome prejudice and build mutual respect. The commission consists of fourteen members. Thirteen members are citizens appointed by the mayor and subject to confirmation by council in accordance with the composition requirements set forth herein. The remaining member is a member of City Council who sits on the commission in an ex-officio capacity. The council member of the commission is the chairman of the council committee with oversight of the commission as determined by the president and members of council. The council member of the commission is non-voting.

To the greatest extent practicable, the commission shall be comprised of members who represent the racial and ethnic diversity of the men and women of Toledo, and who have demonstrated in their words and actions a sensitivity to the need to end discrimination and ensure equal opportunity for all. In order to ensure representation of a broad range of community perspectives, the commission will include one labor representative, one religious affiliation representative, one education representative, one business or economic development representative, one youth representative, one member of the legal community, one neighborhood representative, one LGBT representative, and five at-large appointments. The at-large appointments include the four members and the board chairman who make up an executive committee.

Funding Sources:

All service and supply costs for the Human Relations Commission are supported by the General Fund.

2019 Highlights:

The 2019 budget for services and supplies totals \$63,500 of which 74.03% is dedicated to services.

Office of Diversity & Inclusion

The Office of Diversity & Inclusion was created in 1988 to administer programs, activities and services to ensure compliance with the Civil Rights Act and the Americans with Disabilities Act and to enforce the City's prevailing wage regulations. The Office of Diversity & Inclusion exists to enforce all administrative policies under its jurisdiction and to assist the City of Toledo in achieving a dynamic, diverse workforce, enforce fair labor standards, and create a climate of inclusiveness that encourages small, minority, and female owned businesses to bid and receive City contracts.

Funding Sources:

With the exception of one position, all personnel, service and supply costs for the Office of Diversity & Inclusion are supported by the General Fund. The Office's Administrative Analyst is funded by the Capital Improvement Fund and the Utility Administrative Services Fund, as well as the General Fund.

2019 Highlights:

The 2019 budget supports 6.00 FTEs. Personnel costs account for 92.34% of the department's budget.

The 2019 budget for services and supplies totals \$28,800 and will continue supporting education, outreach programs for minority business enterprise vendors, and Vocalink, a language service provider.

Municipal Court Judges

The responsibility of the Toledo Municipal Court is to hear and dispose of cases within the Court's jurisdictional limits in a judicious and timely manner and provide opportunities for rehabilitation. The Court's operation is defined by the Federal and State Constitutions, the Ohio Revised Code, Toledo Municipal Code, State Civil and Criminal Procedural Rules, and the Rules of Superintendence.

The Ohio constitution establishes the legislative, executive and judicial branches of government. The judiciary is a separate and co-equal branch of government, with separate powers and responsibilities. The Toledo Municipal Court is comprised of seven Judges. Six Judges preside over a mixed criminal and civil docket. One Judge presides over environmental criminal and civil cases, which include housing, environmental and related matters.

Funding Sources:

Municipal Court Judges operations are funded primarily through the General Fund. Approximately 97.32% of labor, service and supply costs are supported by the General Fund, while remaining expenses are funded with grant dollars in the 2019 proposed budget.

2019 Highlights:

The 2019 budget allocates \$2,946,708 for services and supplies. This includes funding for court security services.

Personnel expenditures account for 71.33% of total 2019 budget.

City of Toledo

2019 Proposed Annual Operating Budget

Department of Finance

The Department of Finance is responsible for safeguarding the assets of the City of Toledo by providing effective stewardship of public funds, timely financial reporting, and commitment to excellence in public service. It is the responsibility of the department to continuously improve the coffers of the City by assisting and advising the operating divisions in their financial operations. The Department of Finance is comprised of the Divisions of Finance Administration, Financial Analysis, Treasury and Taxation, Accounts, Purchasing and Supplies, Debt Management and the ERP team.

The Division of Finance Administration is comprised of the Director of Finance and his or her support staff. Finance Administration directs the other divisions to ensure department responsibilities and priorities are met and City-wide financial goals are achieved.

The Division of Financial Analysis (budget office) is charged with the creation, maintenance and monitoring of the City of Toledo's operating budget. In addition, the division assists, advises and directs the operating divisions with budget maintenance. The division also assists the Debt Management Office with creation and monitoring of the City's capital improvement budget.

The Division of Treasury and Taxation is responsible for the collection, safekeeping, investment and disbursement of all public monies of the City. This division also encompasses the functions of business licensing and administration of the City's special assessment program. The income tax section administers the City tax code in a manner that is accountable and responsive to the public for the purpose of generating revenue to finance city services. The section also collects delinquent City taxes in a way that balances both fiscal responsibility and fair collection practices.

The Division of Accounts is charged with providing timely and accurate financial information to both internal and external users in accordance with Generally Accepted Accounting Principles (GAAP). Accounts also provides internal controls to insure the safeguarding of City assets. The division works closely with the budget office to prepare, distribute and present monthly financial information to City Council.

The Division of Purchasing is committed to providing efficient procurement services which meet the needs of City departments while ensuring compliance with the City Charter and Toledo Municipal Code. Purchasing strives to assure fair and equal access to all entities seeking to do business with the City of Toledo. The Division of Purchasing also includes the print shop, an internal service unit that provides printing and copying services to City departments.

The Debt Management Office must balance the financial needs of the City with the most economically and financially feasible methods of borrowing. The Debt Management Officer ensures that the City operates within strict debt guidelines to maintain and improve bond ratings. The Debt Management Office is also responsible for preparing and monitoring the City's 5-Year Capital Improvement Plan.

The ERP team operates, maintains and enhances the SAP accounting software system to provide accurate, real-time financial, procurement, payroll and HR information to all City departments. Additionally, the team is responsible for training system users city-wide.

Department of Finance

Funding Sources:

Department of Finance personnel and operating supplies and services are supported largely by the General Fund. Of the department's 64.10 FTEs, only 5.00 are funded outside of the General Fund. The Debt Management Office receives funding from not only the General Fund, but also assessed, capital and enterprise funds. ERP Team expenditures are distributed across all major operating funds.

2019 Highlights:

The 2019 General Fund budget of \$6,658,095 supports 59.10 of the department's FTEs. Labor accounts for 72.79% of the department's General Fund expenditures.

City of Toledo

2019 Proposed Annual Operating Budget

Department of Law

The Department of Law is responsible for delivering high quality legal service consistent with the highest standard of professional responsibility. Pursuant to the City Charter, the Law Department represents the City in all legal matters. The Law Department is comprised of three sections:

<u>Litigation Section</u>: Defends and represents the City, its officials and employees in cases in all courts including Common Pleas, Court of Appeals, Federal District Court, Ohio State Supreme Court and U.S. Supreme Court.

<u>General Section</u>: Reviews and writes contracts, assists with economic development and utility issues and advises on internal legal matters.

<u>Prosecutor's Office</u>: Prosecutes misdemeanor criminal offenses occurring within the Toledo-Washington Township and Ottawa Hills jurisdictions.

Funding Sources:

The Law Department is funded by the General Fund, the Risk Management internal service fund and the Utility Administrative Services Fund. Additionally, one position is partially grant funded through the Community Development Block Grant.

2019 Highlights

The 2019 budget funds 32.00 total FTEs across all sections.

In addition to personnel, the Law Department's General Fund budget allocates \$181,175 for services and supplies including funds for intern services, labor arbitration expenses, various publications and continuing legal education for attorneys.

A budget of \$2,093,608 is allocated for risk management, which includes insurance premiums for insurance policies, and anticipation of potential settlements of pending cases.

2019 Proposed Annual Operating Budget

Department of Neighborhoods & Business Development

The Department of Neighborhoods & Business Development is responsible for neighborhood development as well as attracting, growing & retaining businesses. This newly merged department includes the divisions of Neighborhoods Administration, Housing, Economic Development, Real Estate, Building Inspection, Code Enforcement and the Beautification Action Team.

Funding Sources:

The Department of Neighborhoods & Business Development has numerous funding sources including but not limited to federal funds through the U.S. Department of Housing and Urban Development Community Block Grant Program (CDBG), the Toledo Home Program federal grant and other operating grants as well as the General Fund.

2019 Highlights:

The Division of Neighborhoods Administration supports 15.50 FTEs funded primarily through Federal & Operation Grants. Personnel expenses account for 58.33% of their total proposed budget.

The Division of Housing proposes \$2,021,346 for personnel expenses supporting 24.50 FTEs.

The Divisions of Economic Development and Real Estate support 7.00 FTEs, while 63.17% of expenditures fund supplies and services including property tax payments and business incentive payments.

The 2019 budget for Building Inspection funds 23.00 FTEs with 80.16% of budget supporting personnel costs. The \$456,198 designated for supplies and services include funding for contract plan review services for interactive voice response for scheduling after hours inspections.

Code Enforcement funds 17.00 FTEs with just over 51.34% of costs supporting these positions. The remaining budget supports services directly related to the abatement of nuisance conditions on private property, city owned parcels, forfeited lands, demolition candidate properties & abandoned properties. Abatement services include cutting tall grass and weeds, removal of debris and illegally dumped items and yard waste.

The Beautification Action Team budget for 2019 includes funding for 5.00 FTEs with a total budget of \$918,417. Of this total, 38.10% supports personnel related costs.

City of Toledo

2019 Proposed Annual Operating Budget

Department of Human Resources

The Human Resources Department supports its sister departments in all aspects of the employer-employee relationship. Responsible for employee selection and evaluation, benefits administration, union/employee relations, workers' compensation, training, and temporary workers. The Human Resources Department facilitates the delivery of City services by selecting, developing, and retaining the City's most valuable resource: a productive and competent workforce.

Funding Sources:

The Department of Human Resources' operating expenditures and personnel are funded primarily by the General Fund. Funding allocated in the Workers' Compensation Fund covers the City's payments to the State of Ohio. The department also funds a portion of its labor, services and supplies costs in this fund.

2019 Highlights:

The 2019 budget funds 17.00 FTEs for the Department of Human Resources, including 3 members of the Civil Service Commission. Total labor expenditures for the department are \$1,394,492 of which \$800,841 are allocated to the General Fund.

Non-personnel budget in the General Fund totals \$484,073 and supports on-boarding costs for new employees, testing costs for promotions in the safety forces, training materials for all departments, as well as employee engagement activities.

Department of Information & Communications Technology

The Department of Information and Communications Technology (ICT) provides reliable, secure electronic communications for the business-based use of all City departments. The Information and Communications Technology Department is responsible for all internal network services for the City. The department oversees the electronic business applications and data base support for multiple software solutions and supports the internal GIS, Cityworks and Engage Toledo programs.

Funding Sources:

As an internal service department, ICT is funded through user charges assessed to other departments and divisions for telecommunication and computer support services. Additionally, two support team members are funded partially by the Utility Administrative Services Fund.

2019 Highlights:

The ICT 2019 budget supports 17.75 FTEs with a total labor cost of \$1,684,320. ICT staff provide 24 hour support to the City's departments and divisions that support the citizens of Toledo.

Services and supplies expenditures total \$3,575,496 of the 2019 budget.

City of Toledo

2019 Proposed Annual Operating Budget

Department of Public Service

The Department of Public Service strives to provide quality, efficient and timely services to the citizens of the City of Toledo in the most cost-effective manner through the utilization of innovative practices, state-of-the-art technology and a courteous, well-trained workforce. The department is responsible for snow and ice control, leaf collection, bridge, street and traffic control maintenance, management of the City's landfill, and operation of the City's parks and recreational facilities. Additionally, the department includes the Division of Facility and Fleet Operations which provides vehicle and facility management for other City departments.

The Department of Public Service is comprised of the following five divisions: Transportation, Streets, Bridges and Harbor, Solid Waste, Facility and Fleet Operations and the Division of Parks, Recreation and Forestry.

The Division of Transportation provides and maintains safe and efficient traffic flow on public roadways in the City using accepted design practices and appropriate traffic control devices. The division is responsible for traffic control planning and design and operation and maintenance of traffic control devices and systems.

The Division of Streets, Bridges and Harbor (SB&H) is responsible for keeping the streets of the City safe for vehicular traffic throughout the year. This includes leading all snow and ice removal, leaf collection and street sweeping efforts. The division also performs minor street repair and restoration, as well as conducts all bridge work for the City including inspection, maintenance, rehabilitation and replacement.

The Division of Solid Waste operates the landfill within regulatory compliance of the Ohio Environmental Protection Agency.

The Division of Facility and Fleet Operations is an internal service division that keeps the City's fleet and buildings continually operational. Fleet operations is responsible for maintenance, repair and fueling of the City's fleet, as well as vehicle and equipment acquisition. Facility operations is responsible for building maintenance and repair and recommending facility design and construction. The unit ensures a healthy, functional, aesthetic and sustainable building environment for City employees and the public.

The Division of Parks, Recreation and Forestry is dedicated to the effective management of Toledo's greenspaces thereby improving the quality of life for all citizens and visitors. Parks & Forestry is responsible for the maintenance and management of street trees, parks, boulevards & triangles, weed control and cemeteries. Recreation operates the City's recreational facilities, maintains athletic fields, and administers programs and events including Pumpkinarama, the Fishing Rodeo, and concerts at Ottawa Park.

2019 Proposed Annual Operating Budget

Department of Public Service

Funding Sources:

The Department of Public Service receives funding from a variety of sources:

Transportation is funded with both street construction, maintenance and repair (SCM&R) dollars and capital improvement dollars.

The Division of Streets, Bridges and Harbor receives assessed, SCM&R and capital improvement funding. The division also completes utility cut restorations funded by the Water, Sewer and Storm Water enterprise funds.

The Division of Solid Waste is supported primarily by the General Fund.

The Division of Facility and Fleet Operations is funded through charges assessed to user divisions. Labor, supplies and service costs are budgeted in the Fleet Maintenance and Facility Operations internal service funds.

The Division of Parks, Recreation and Forestry primarily uses General Fund and assessed dollars to support operations.

2019 Highlights:

The Division of Transportation budget supports 48.00 FTEs and allocates \$1,731,271 for services, supplies and capital expenditures. Of the division's 48.00 FTEs, 26.00 are dedicated to sign and signal maintenance and control while the remaining provide administrative support and engineering services.

The 2019 budget for SB&H allocates \$15,084,162 for labor expenditures and \$15,419,566 for services, supplies and capital. The budget supports 185.63 FTEs who rotate seasonally between street maintenance and pothole repair, street sweeping, leaf collection and snow and ice control. The division also completes vacant property demolitions funded federal grant dollars secured by the Land Bank.

The Division of Solid Waste has proposed \$1,211,000 in 2019 to cover Ohio EPA and county tipping fees. These fees account for 26.11% of the division's total budget. The solid waste budget funds 14.00 FTEs with a total personnel cost of \$1,220,397.

The 2019 budget for fleet operations provides \$6,209,012 for fuel, equipment and services to maintain the City's fleet. In addition to this non-personnel allocation, the budget also supports 65.40 FTEs with a total labor cost of \$4,351,560.

The internal service fund budget for facility operations allocates 46.78% for labor expenditures, covering 22.60 FTEs and allocates 53.22% for services and supplies.

The 2019 budget for the Division of Parks, Recreation & Forestry includes \$5,784,379 for labor related expenditures and \$5,778,349 for non-labor expenditures, including contractual and seasonal budget for mowing parks, boulevards, and triangles.

2019 Proposed Annual Operating Budget

Department of Public Utilities

As a customer-service organization, the Department of Public Utilities provides services which exceed expectations in regards to safe, economical and superior drinking water, drainage and waste water services, and an environmentally safe community.

The City owns and operates a waterworks system as a self-supporting enterprise that produces an average of approximately 66.7 million gallons of water per day, with a peak flow of 93.4 million gallons of water per day, for approximately 130,000 residential, commercial/institutional and industrial customers in the City and certain surrounding areas in Northwest Ohio and Southeast Michigan. The City estimates that approximately 500,000 people are served by the Water System. Water is drawn from Lake Erie, treated at the City's Collins Park Water Treatment Plant, which has a capacity of 120 million gallons of water per day, and then distributed through approximately 1,165 miles of water lines, over 50% of which were installed before 1930. The estimated replacement cost of the Water System is approximately \$1.362 billion. The Water System is operated by the Division of Water Treatment and the Division of Water Distribution of the City's Department of Public Utilities.

The City has maintained and used reserves to pay the costs of routine, ongoing maintenance, repairs, replacements of portions of the Water System. The City has spent an average of approximately \$21.7 million annually for replacements, improvements and extensions for the Water System over the past 10 years. In 2013 and 2016 the City issued over \$250,000,000 of Water System Revenue Improvement and Refunding Bonds to fund a portion of these costs.

The City also owns and operates a sanitary sewage collection and treatment system as a self-supporting enterprise that annual collects and treats approximately 66.1 million gallons of wastewater per day from approximately 98,496 residential, commercial, institutional and industrial customers in the City and approximately 5,285 such customers outside of the City. The City estimates that approximately 320,000 people are served by the Sewer System. Wastewater is collected by local and interceptor sanitary sewers owned by the City. The local sewers serving 72% of the City's sewered area carry only sanitary sewage, while the remaining 28% of the City's sewered area is served by combined sewers that carry sanitary sewage and, in wet weather, storm water. The local sewers flow into interceptor sewers that carry the wastewater to the City's treatment plant for treatment.

The Department of Public Utilities includes the following divisions: Public Utilities Administration, Water Treatment, Water Distribution, Engineering Services, Water Reclamation, Sewer and Drainage Services and Environmental Services. The divisions are primarily supported by the Water and Sewer and Storm Water Funds, with very little General Fund support.

2019 Proposed Annual Operating Budget

Department of Public Utilities

The Division of Public Utilities Administration provides comprehensive billing, collections and customer service in an efficient, cost-effective, and responsive manner to residents, businesses, and governmental jurisdictions within the greater Toledo metropolitan areas. Utilities Administration provides the primary administrative fiscal and operational control functions for the department. It consists of the sections of Accounting, Billing, Customer Service, Legal, DPU/SAP Support, Records, Engage Toledo, Administrative Support, Toledo Public Power (TPP) and the Toledo Waterways Initiative (TWI).

The Division of Water Treatment is responsible for the effective production, filtration, and quality control of water for the City of Toledo. The division's responsibility starts at the source of raw water, Lake Erie, and extends throughout the treatment process. This division operates and maintains the largest softening plant on Lake Erie which filters an average of 120 million gallons of water per day. In 2014 the division began replacing and upgrading the water plant and component facilities. These major capital projects are bond funded.

The Water Distribution division uses the most responsive and efficient methods possible to supply uninterrupted water service to the citizens of Toledo and metropolitan areas. The division constructs, installs, repairs and maintains fire hydrants, water taps, water meters and the underground assets associated with the conveyance of water.

Engineering Services provides planning, engineering and construction administration for major infrastructure improvements and assists in supporting other operating divisions with their engineering needs. The division is responsible for coordinating the replacement and upgrade of the city's utility distribution and transportation systems. This includes water lines, sanitary sewers and storm water facilities, public sidewalks, pedestrian ramps, streets and alleys. In addition, Engineering Services is responsible for street lighting, plan reviews, inspection of construction within the public rights of way and open space planning.

The Division of Water Reclamation works to protect and enhance public health, property and the environment through the efficient and progressive treatment of wastewater in compliance with the state of Ohio and national standards. The major function of Water Reclamation is the operation and maintenance of the Bay View Wastewater Treatment Plant. The facility provides treatment services to an area of approximately 100 square miles, of which 84 miles are located within the City of Toledo. The population of the service area is approximately 320,000 people.

The Division of Sewer and Drainage Services operates and maintains the sanitary sewer, storm sewer and ditch drainage systems, providing innovative, cost effective, uninterrupted service to the citizens of the City of Toledo. There are five sections in the division: Cleaning, Construction, Ditch Maintenance, Engineering and Inspection, and Administration. Together these sections are responsible for maintaining sanitary sewer and storm sewer drainage systems. This involves routine cleaning and repair, maintaining the proper flow of the City's 64 miles of open ditch drainage systems and providing direct support to field personal engaged in the cleaning and repair of storm and sanitary sewers and ditches.

2019 Proposed Annual Operating Budget

Department of Public Utilities

The Environmental Services division's goal is to ensure environmentally safe air and water for the Toledo metropolitan area. The division takes pride in serving as an environmental consultant for the City's other departments and divisions. The division performs, coordinates and oversees environmental site assessments and environmental cleanup projects for city owned parcels and city redevelopment projects. The division promotes a better understanding and awareness of the challenges that exist in air and water pollution in Toledo through numerous community outreach programs such as Clean Your Streams Day and the Household Hazardous Materials Program.

Funding Sources:

The Department of Public Utilities is primarily supported by the Water, Sewer and Storm Water Operating funds, with minimal General Fund support.

The Division of Public Utilities Administration is supported primarily by the Utility Administrative Services Fund. This fund receives revenues from the water, sewer and storm water utilities. Additionally, support for the Engage Toledo office, which in 2019 is budgeted under Utilities Administration, comes from assessed and general fund dollars.

The Division of Water Treatment is funded 100% with water operating dollars.

The Division of Water Distribution is funded by the Water Operating Fund, Utility Administrative Services Fund, and the Sewer Operating Fund.

The Division of Engineering Services receives support from several funds. This includes SCM&R, capital improvement, sewer operating, water operating and general fund dollars.

The Division of Water Reclamation is funded largely with sewer operating dollars. A small portion of funding comes from the Storm Water Fund.

The Division of Sewer & Drainage Services is supported by the Sewer Operating and Storm Water Operating Funds. Additionally, a small amount of water operating funding supports operations.

The Division of Environmental Services receives support from general and utility operating fund dollars, as well as state grant awards. The division annually receives state water and air grants that support personnel and other services. The General Fund provides a local match for these dollars.

2019 Proposed Annual Operating Budget

Department of Public Utilities

2019 Highlights:

Utilities Administration

The 2019 budget supports 97.65 FTEs with a total labor cost of \$7,772,666. Non-labor budget totals \$18,652,404 and supports administrative functions including the SAP billing system and postage and mailing expenditures. The division has implemented a cost-effective on-line billing function to allow customers to view their bills and make payments electronically in "real time."

Water Treatment

The division's 2019 budget supports 104.00 FTEs with a total labor cost of \$8,568,560. Of the division's supply and services budget of \$19,138,170 a total of \$11,650,000 is allocated for chemicals and spent lime disposal.

Water Distribution

In 2019 the Division of Water Distribution is supported 69.32% by the Water Operating Fund, 22.61% by the Utility Administrative Services Fund, and 8.00% by the Sewer Operating Fund. The division's total budget of proposes \$9,780,467 for labor related expenditures.

Engineering Services

The budget for Engineering Service funds supports 67.00 FTEs with a total labor cost of \$6,318,343. Non-personnel expenditures for supplies and services total \$1,796,579. In 2019, Engineering Services proposes an additional General Fund positions in order to support increased construction inspection activates. This increase cost will be offset by increased permit fee revenues.

Water Reclamation

The 2019 budget for Water Reclamation supports 117.00 FTEs with a total labor cost of \$9,752,901. Non-personnel expenditures account for 47.39% of total budget and include bulk treatment chemicals, spent lime disposal and electricity costs for the plant. Combined, these three items total over \$5,200,000. The 2019 budget supports the completion of the Toledo Waterways Initiative (TWI) Oakdale Storage Basin construction, and the beginning phases of the TWI Ottawa River Storage Basin.

Sewer & Drainage Services

The Division of Sewer and Drainage Services 2019 budget supports 124.00 FTEs. Labor expenditures represent 60.67% of the total budget.

Environmental Services

The 2019 Environmental Services budget funds 47.00 FTEs across several funds. Labor expenditures account for the largest portion of the division's total budget at 80.41% of the total.

Toledo Police

Toledo Police Department enhances the quality of life in Toledo by working in partnership with the community to preserve life, enforce the law, provide quality services, reduce the fear of crime, and promote joint problem-solving for safe, secure neighborhoods. The Police Department is committed to working with the community to identify and solve problems as an aid in the reduction of crime. The department's policing practices and tactics complement the needs of Toledo neighborhoods. Toledo Police Officers work to:

- Prevent or reduce crime and disorder and proactively enforce the law through patrol and answering calls for service
- Apprehend violators of the law through investigation and the collection of evidence
- Safeguard property and return lost or stolen property to the rightful owner
- Preserve individual rights through mediation, advice, and preventative presence and enforcement
- Provide for the safe flow of traffic throughout the city through enforcement of traffic laws
- Maintain a high degree of police-community interaction
- Ensure a high level of departmental and individual performance through training and supervisory control
- Provide employee safety and well-being through training, equipment and supply acquisition and administrative and technical support; 911 dispatching; and repository of criminal records and property

Funding Sources:

The Toledo Police Department is funded 96.46% by the General Fund. The department also has CIP funding for lease obligations, funding from municipal tow lot operations, and SCM&R.

2019 Highlights:

The 2019 Police Department budget supports 708.35 FTEs, including a budgeted class of 40 new officers scheduled to start in July. Labor costs constitute the largest portion of the department's budget at 88.77% of the total.

The 2019 supplies and services budget of \$7,777,286 will support current operations, as well as programs and initiatives such as continued support of Data Driven Policing.

Mission Statement:

The mission of the Toledo Fire and Rescue Department is the protection of the community from fire and other emergencies through education, fire prevention code enforcement, emergency disaster planning, and the response of highly trained personnel.

Since 1837, Toledo Firefighters have been protecting the citizens of Toledo first as volunteers, then in 1868 as paid Firefighters. The first fire station was located on Cherry St. in 1837. Much has changed since those early years. Now, the Toledo Fire and Rescue Department has 19 fire stations located strategically throughout the city staffed by over 475 Firefighters. In addition to responding to fires, all Toledo Firefighters are trained Emergency Medical Technicians with approximately 200 also being certified paramedics. Each year the Toledo Fire Department responds to over 55,000 emergency incidents. These runs include fire, medical, hazardous materials incidents, water rescue, confined space rescue, and homeland security.

The Toledo Fire and Rescue Department is organized into the following bureaus:

<u>Fire Communications Bureau</u> – dispatches all emergency and non-emergency incidents for the department; coordinate communications between field operations personnel, staff and outside agencies such as City Line (CLICK), other city emergency personnel, the airport and the National Weather Service; maintain a record of all radio communications for Police and Fire departments. The Radio Service Section repairs and maintains the 800 Mhz radio system and all radio communication equipment used by police, fire and public works.

Emergency Medical Services (EMS) —monitor and assist in the EMT recertification for all members, coordinate with Lucas County personnel to staff City of Toledo paramedic rigs, maintain accreditation as an EMS training program, schedule and monitor attendance at mandatory paramedic continuing education, provide Q/A, Q/I for ALS and BLS response, order, distribute and maintain EMS supplies, review and recommend revisions to EMS protocols, acquire and maintain EMS records, maintain certification as an American Heart Training Center, review and revise BLS protocols, work with community agencies to secure appropriate care for 9-1-1 abusers, locate and acquire State and Federal EMS grants. This bureau acts as a liaison with the following community and governmental organizations and agencies: Lucas County EMS, Ohio Division of Public Safety, Toledo Parks and Recreation, Toledo Environmental Services, Toledo Human Resources, Toledo Public Schools, Boys and Girls Club, Juvenile Diabetes, Race for the Cure, City Athletic League, and Area Hospitals.

Toledo Fire and Rescue

<u>Field Operations</u> - responds to over 55,000 incidents annually that include all fires, medical emergencies, confined space and high angle rescues, hazardous material emergencies, water (dive) rescues, flooding emergencies and any homeland security concerns. Field Operations monitors the fire ground for safety concerns; maintain and investigate internal affair files; investigate and review firefighter injuries, oversee our limited duty policy that manages on the job and off the job long-term injuries and illnesses, publish annual report and bi-monthly newsletter. The bureau interacts with the City departments of Law, Human Resources and Police.

<u>Fire Prevention Bureau (FPB)</u> – inspection of buildings, structures, and premises for fire hazards and the enforcement of the Fire Prevention Codes; distribution of smoke detectors; repository for all fire reports; fire investigation; public education of fire safety especially with the young and elderly; review plans for new buildings and alterations to existing buildings for code compliance; part of the permit issuing process. Inspects buildings that require annual permits, educational and institutional (day care, nursing homes, hospitals) occupancies. This bureau interacts with the following city departments and governmental agencies: Building Inspection, Plan Commission, Water Department, Traffic Engineering, Health Department, Lucas County Building Regulations, State of Ohio Industrial Commission and Fire Marshal.

Special Operations Bureau – responsible for the department's preparedness and ability to recognize and respond appropriately to traditional and non-traditional threats within our community; oversee specialized training in confined space rescue, high angle rope rescue, water rescue, dive rescue, and vehicle accident extrication; regional coordinator of the Northwest Ohio Urban Search and Rescue (USAR); involved in the following grants: Urban Area Security Initiative, Metropolitan Medical Response System (MMRS), Regional Medical Response System(RMRS), and State Homeland Security; coordinates RMRS & MMRS steering committees; leadership positions with Ohio Medical Technical Advisory Committee, Ohio Haz Mat/Decon Technical Advisory Committee, Ohio USAR Technical Advisory Committee. This bureau interacts with the Police Department, Ohio Emergency Management Agency (OEMA), Lucas County Emergency Management Agency (LCEMA) as well as nearly all of the top management of all City departments and City administration. Coordinate mutual aid agreements with 22 surrounding communities.

<u>Fire Investigation Unit</u> - investigates the origin, cause and circumstances of fires that are of undetermined or incendiary in nature. Members of the Fire Investigation Unit are trained Arson Investigators with police powers. The Fire Investigation Unit is also tasked with investigating fires where there is serious injury or death in accordance with the laws of the City of Toledo and the State of Ohio.

<u>Professional Standards Bureau</u> - maintains the highest level of integrity and professionalism for all employees of the department. The Professional Standards Bureau will respond to any credible information concerning misconduct by department employees, and is charged with the responsibility of investigating any serious allegations of misconduct involving an employee. Through the use of various investigative techniques, the Professional Standards Bureau gathers the necessary information needed to determine the truth surrounding an allegation. The employee's rights are important and are protected through any investigation, along with the integrity and confidentiality of the investigation itself.

<u>Training Bureau</u> — provides fire training for new recruits, coordinates and provides regular continuing fire training for all firefighters, provide re-entry training for firefighters who have been off work or away from regular fire duties for more than 6 months, provides initial EMT-B training for all members of the department, provide refresher training for all EMT-B's, provide CPR training for all members, develop and update department training manual, provides the department's testing and evaluations of tools and equipment. Provides paramedic training for department personnel. This bureau works out of 2 training centers, one located across from the Airport and both University of Toledo Medical Center and Scott Park Campus; provides training on Self-Contained Breathing Apparatus (SCBA) with the Sewer and Police departments as well as the Lucas County Sheriff's Office. The Training Bureau also interacts with the Ohio Fire Academy through the State Fire Marshal's office.

Funding Sources:

The Fire Department is funded 98.78% by the General Fund. The department also receives capital improvement funding for lease payments on fire engines and ambulances.

2019 Highlights:

The 2019 Fire & Rescue Department budget supports 658.94 FTEs, including a class of 40 firefighters budgeted to start in February. Labor costs constitute the largest portion of the department's budget at 93.22% of the total.

Budget for supplies and services totals \$4,316,914 and supports current operating expenditures including training, contractual tuition obligations, building maintenance and fleet and fuel costs.
