**RE: On Street Parking Ordinance**

To the President and Members of City Council:

I am writing to express support for Ordinance #O-145-19, requesting modifications to the Port Authority's operating plan and budget related to on-street parking. As a downtown business owner and a board member of ConnecToledo, I believe that an appropriate level of diligence has been undertaken and the ordinance balances the interests that will allow our downtown to experience continued revitalization.

Thank you for your service to our City,
