

To the President and Members of City Council

As a Downtown property owner, resident and employee I support the approval of Ordinance #0-145-19.

On a daily basis I see employees of restaurants of the bars park in front of my building (110 Ottawa) and on game days will see employees at 5/3rd field park in front of my building walk to work avoiding having to pay for lot parking taking away parking spaces for our visitors. I'm hoping by expanding the meters to Ottawa Street this will eliminate that issue and the few parking spots we have available will be used for their intended purpose which is short term visitors to my building.

Sincerely,  
Jamie Paul
