Re: On Street Parking Ordinance

To the President and Members of City Council

As I was getting ready to compose my letter of support for the Ordinance, I looked out my window and recognized my waitress from lunch, out to pay her parking meter. It was exactly 2:00 pm. This is just one of the issues the new Ordinance is addressing, as to who is using and abusing the Free lunch time parking.

As a Downtown property owner, resident and employer I support approval of Ordinance #0-145-19. This will help the overall improvement and long range enhancement of our Neighborhood.

Best regards,
