

2019 CIP Parks, Recreation & Forestry

- COT Parks are in need of significant upgrades. The 2019 CIP spending plan complements the other work being funded by the Park Revitalization/Rebranding initiative, as well as projects utilizing District Improvement Funds.
- Specific spending plans outlined below cover a variety of parks across the city.
- In all cases, the PRF division is working closely with neighborhood stakeholders to incorporate the desires of the people using the parks.

Gunckel	\$22,000	Drainage for newly replaced playground
Junction	\$39,000	New park feature.
Macelwane	\$40,000	Working with neighborhood to identify park improvement.
Ottawa	\$35,000	Amphitheater updates.
Smith	\$85,000	Open air shelter and supplement to other playground funding.
Birmingham	\$75,000	Working with neighborhood on either a playground or walking path.
