City of Toledo
Mayor Wade Kapszukiewicz
One Government Center, Suite 2200
Toledo, OH 43604

Dear Mayor Kapszukiewicz,

The purpose of this letter is to address concerns raised at the May 17, 2019 public hearing regarding the proposed changes to downtown on-street parking in the Government Center area. Lucas County Commissioner, Pete Gerken, specifically mentioned concern over potential financial impacts on citizens who need to access to the Lucas County Court House and other governmental services in the buildings in that area. Please know that the Toledo-Lucas County Port Authority is committed to working with Lucas County to ensure that competitive rate parking vouchers are available to the entities providing services in those locations which can be distributed to clients and customers. The Port Authority through ParkSmart already has voucher systems in place with Imagination Station, PNC Bank, the Water Department and others.

We look forward to working with the City of Toledo, Lucas County, and all stakeholders to ensure that the recommended changes are implemented in a fair and reasonable manner.

Sincerely,

Paul L. Toth Jr.
