

Bullet Points: DPS ODOT Safe Routes to School Grant
June 25, 2019

- City of Toledo, with Live Well Greater Toledo (YMCA program), have submitted an application thru the Safe Routes to School program for U.S. Department of Transportation funding
- The application is for \$455,118 with no matching funds required
- This project includes signal countdown displays, installation of a signalized crossing on Jackman near Bowman Park, Smart school zone flashers, walking school buses, walk and bike to school days, bicycle and pedestrian education programs, and bicycle fix-it events
- Passage of this Resolution is procedurally required to allow The YMCA of Greater Toledo and the City of Toledo to receive these grants
