

2021 VEHICLES

BULLET POINTS

- In 2019, DPU created a 5-year vehicle replacement plan in coordination with DPS to allow for the replacement and/or addition of necessary of vehicles, including heavy equipment.
- The necessary funding to purchase or lease vehicles was authorized in the 2021 operating budget for each DPU Division.
- It is necessary to purchase the vehicles needed as soon as possible to avoid any increases in vehicle pricing, and to ensure the divisions can effectively and safely carry out their objectives.
