Re: **Tentative Agreement with AFSCME Local 2058, Communications Operator Supervisors**

On August 25, 2021, the City of Toledo and the AFSCME Local 2058, Communications Operator Supervisors reached a tentative agreement on the terms of a successor collective bargaining agreement.

As background, the AFSCME Local 2058, Communications Operator Supervisors Unit, is one of the City's conciliation bargaining units, consisting of approximately 9 employees who work as supervisors to the 9-1-1 call-takers, and police and fire dispatchers. Its current collective bargaining agreement with the City expired on May 31, 2021. Due to concerns surrounding the COVID-19 pandemic, the City and the Union mutually agreed to extend the terms of the collective bargaining agreement. Pursuant to the statutory bargaining process under the Ohio Revised Code, the City and the Union met multiple times during the last two weeks to negotiate the terms of a successor agreement.

Specifically, regarding the economic terms, the agreement provides for a one-time COVID premium payment amount of three thousand five hundred dollars and zero cents (\$3,500.00). The purpose of the COVID premium payment is to recognize the Local 7 Communication Operators for their work during the COVID-19 pandemic. Only those employees who are employed as of the union ratification date are entitled to the COVID premium payment. In addition, the agreement provides for double time for all overtime hours worked from August 1, 2021 through October 1, 2021. The purpose of the double time for all overtime hours worked is to incentivize employees to volunteer for recall shifts rather than force members to work the shifts.

The terms of the Collective Bargaining Agreement will expire on December 31, 2021, or before, when the Regional Council of Governments takes over, and the Communications Bureau of the Toledo Fire and Rescue Department ceases to exist.

On August 30, 2021, the Union ratified the agreement. The Administration likewise recommends that City Council adopt and approve this tentative agreement.
