Declaring the necessity and intention of appropriating, in fee, as well as a temporary construction easement across, portions of the property located 4346 S. Detroit, required for the S. Detroit and Byrne Roadway and Intersection Improvement Project; and declaring an emergency.

SUMMARY & BACKGROUND:

The city is proceeding with the reconstruction of S. Detroit Avenue from the Anthony Wayne Trail to Copland Boulevard. Some of the improvements to be constructed as part of this public improvement project will include a complete re-construction of Detroit Avenue roadway pavement, the construction of a single lane roundabout at the intersection of Byrne Road, and other necessary and related pedestrian walkway, utility and infrastructure improvements along Detroit Avenue between the Anthony Wayne Trail and Copland Boulevard. The project will require the purchase of a total of 0.0836 acre of land, more or less, of which the present road occupies 0.0141 acre of land, more or less, for a NET TAKE AREA of 0.0695 acre of land, more or less, in fee, and also requiring the purchase of a temporary construction easement consisting of 0.0585 acre of land, more or less, across portions of the property located at 4346 S. Detroit (consisting of TD Parcels 07-08244 and 07-08217). Negotiations to purchase the property interests have been unsuccessful to date and it is now necessary to begin appropriation proceedings to protect the city's interest in the right-of-way to be acquired and keep the project on schedule.

NOW, THEREFORE, Be it resolved by the Council of the City of Toledo:

SECTION 1. That this Council declares its intention to appropriate, in fee, portions of the real estate

located at and known as 4346 S. Detroit (TD 07-08244 and 07-08217, respectively), as more fully described below:
