SUMMARY & BACKGROUND:

The Board of Lucas County Commissioners, through the Lucas County Engineer's office, has constructed certain water and sanitary sewer improvements along portions of Airport Highway, including but not limited to a force main and pumping station improvements, at and for the benefit of the Toledo Express Airport facilities and operations.

The City of Toledo is the fee owner of the property located at 11013 Airport Highway (TD 72-10889), also known as Toledo Express Airport, which is leased and operated by the Toledo-Lucas County Port Authority. The Toledo-Lucas County Port Authority, who leases and operates the Toledo Express Airport, concurs with the granting and donation of the property required for these public improvements.
