SECTION 2. That the approval of the Special Use Permit for a Sweepstake Terminal Cafe for a site located at 3344 Secor Rd., in the City of Toledo, Lucas County, Ohio; shall be subject to compliance with the 27 conditions as follows:

The following twenty-seven (27) conditions are listed by agency of origin. Applicants are encouraged to contact each of the agencies to address compliance with their conditions.

#### Engineering Services

1. All proposed sidewalk, drive approaches, curb, and pedestrian curb ramps within the public right-of-way shall be constructed in accordance with the City of Toledo Construction Standards, Specifications, Toledo Municipal Code, and Americans with Disabilities Act guidelines.
2. All commercial drive approaches, (along with the sidewalk through the drive) shall be constructed with 8" thick concrete per City of Toledo Construction Standards and Specifications. No curb shall be permitted in the right-of-way along either side of a drive approach. No horizontal curb cutting will be permitted to create a curb drop/opening. Existing drive approaches, including the curb drop, that will no longer be utilized shall be removed and restored with curb to match the adjacent curb.
3. Required permits for all approved work in the public right-of-way shall be obtained, before work begins
4. The Division of Engineering Services has no comments with respect to the public water system. The Division of Water Distribution will provide comments regarding proposed private water mains and/or service lines.

#### Division of Water Distribution

5. Water service is available subject to the Rules and Regulations of the Department of Public Utilities.
6. Detailed plans for the proposed water main shall be submitted to the Division of Water

Distribution for review and approval.

7. The water meter setting detail, including meter bypass (if applicable) and backflow preventer, shall be submitted to the City of Toledo Backflow Prevention Coordinator, 401 S Erie Street, Toledo, OH 43604 for review and approval. Approval of site utility plan is contingent on approval of meter setting and backflow preventer.
8. All commercial properties are required to have approved backflow protection devices installed on the domestic water service and fire protection lines. Installation of the devices must be verified by the Division of Water Distribution and all devices must be registered with BSIonlinetracking.com @ (800) 414-4990. Contact the Division of Water Distribution to verify the backflow prevention requirements for the site.
9. Existing water service lines to structures removed from the site will be abandoned by the City of Toledo at the developer's expense.
10. Plans must be submitted and approved by Fire Prevention.

#### Sewer and Drainage Services

11. S&DS requires that all private sewer lines that are not being removed or properly abandoned (both storm & sanitary) be cleaned and inspected.
12. S&DS requires that the private sanitary lines (after they have been cleaned) that are not being removed or properly abandoned be televised from the building (or private cleanout) to where they connect to the public sewer system if this has not been done in the past (2) two years. An electronic (DVD/memory stick) shall be provided to S&DS demonstrating the lines cleaning and integrity.

#### Environmental Services

13. Applicant shall maintain compliance with the City of Toledo's Storm Water regulations as specified in the Toledo Municipal Code. Special attention must be paid to all potential storm water impacts from the modification of the site, including but not limited to long-term operation and maintenance of existing structural and non-structural Best Management Practices.
14. Applicant shall maintain compliance with Ohio EPA's General Storm Water NPDES permit programs.
15. Applicant is strongly encouraged to include multiple green infra-structure measures to minimize runoff and increase infiltration, and to minimize the amount of new and/or additional impervious surface on the site.
16. Applicant is strongly encouraged to plant native, low maintenance and non-invasive trees, shrubs and perennials.
