Amending ORD. 210-18 to expand the scope of professional services provided by SAFEbuilt for the Division of Building Inspection; and declaring an emergency.

SUMMARY & BACKGROUND:

ORD. 210-18 of June 5, 2018, authorized an expenditure not to exceed \$135,000 for professional services related to plan review activities provided by SAFEbuilt in the Division of Building Inspection. Currently the Division has an open position for a plans examiner and an electrical inspector. While the positions have been advertised, they have not been filled. Building Inspection has a need to expand the scope of professional services provided by SAFEbuilt.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That ORD. 210-18 is hereby amended to expand the scope of professional services provided by SAFEbuilt for the Division of Building Inspection to include Plan Review, and Building, Plumbing, Mechanical, and Electrical Inspections, both residential and commercial.

SECTION 2. That this Ordinance is declared to be an emergency measure and shall take effect and be in

force from and after its passage. The reason for the emergency lies in the fact that this ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this ordinance must be immediately effective in order to timely address the current vacancies in the Division of Building Inspection.
