TDOT102522SNOWPLOWSTORAGERACK
Road & Bridge Maintenance
Jeremy Mikolajczyk (x1537)
Revised

Authorizing the expenditure of an amount not to exceed \$400,000 from the Capital Improvement Fund for the purchase of snow plow storage racks; authorizing the mayor to accept bids and enter into contracts; and declaring an emergency.

SUMMARY & BACKGROUND:

The Division of Road & Bridge Maintenance (R&BM) is responsible for clearing and maintaining roadways within the city of Toledo during all snow and ice events. Most of the trucks that are used for the snow and ice program are equipped with removable plows. In an effort to help maintain and store the snow plows in the off-season in a safe and organized manner, the division is seeking to purchase a snow plow storage rack system. This storage rack system will allow each plow to be stored on a heavy-duty pallet which will then be stored on a heavy-duty shelf system. This system will also make it much safer for personnel to move the snow plows around the facility when installing them onto and off trucks.

Bids will be taken for a storage system for three (3) buildings. The R&BM Central Ave facility will have a storage system to manage up forty-two (42) plows while the Byrne Rd facility and Water St. facility location will both manage up to twenty (20) plows each.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount not to exceed \$400,000 is authorized for expenditure from the Capital Improvement Fund, Account Code 5040-23100-8CP2226PLWRCK for the purchase of snow plow racks for the

Toledo Department of Transportation Division of Road & Bridge Maintenance.

SECTION 2. That the mayor is authorized to accept bids and award contracts upon terms and conditions acceptable to the mayor and shall be subject to approval by the Director of Transportation and the Director of Law.

SECTION 3. That the Director of Finance is authorized to issue their warrant or warrants against the above-listed account code in an amount not to exceed \$400,000 in payment of the obligations incurred pursuant to the contract authorized upon presentation of proper voucher or vouchers.

SECTION 4. That the disappropriation of any remaining budget to fund balance is authorized at closeout.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that same is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this Ordinance must be immediately effective in order to store and retrieve snow plows in a manner that is safest for employees.

Vote on emergency clause: yeas _____, nays _____.
