WHEREAS, the National Suicide Prevention hotline was established in 2005 by the Substance Abuse and Mental Health Services Administration and Vibrant Emotional health, a mental health nonprofit; and

WHEREAS, according to the CDC, suicide is the 10th leading cause of death in the U.S. The suicide rate in America is at its highest since World War II; and

WHEREAS, in 2017 alone, more than 47,000 Americans died by suicide and more than 1.4 million adults attempted to take their lives; and

WHEREAS, the current hotline is accessible by a 10-digit number 1-800-273-9255. This change will make it more accessible to those in crisis to reach out for help; and

WHEREAS, at risk populations for suicide increased, from 2007 to 2017 overall ages 10-24 seeing a 56% rise in suicide rates; and

WHEREAS, last year, Congress passed and signed into law the National Suicide Hotline Improvement Act; and

WHEREAS, the FCC has proposed requiring all telephone service providers to accommodate the 988 number within 18 months. The next step is Public Comment on all aspects of the implementation process, including a longer or shorter timeframe for implementation; and

WHEREAS, on December 12, 2019 The 5 member Federal Communications Commission voted to approve the proposal, for open comment and start the rulemaking process to establish a three-digit number “988” as the National Suicide Prevention Hotline; and

WHEREAS, it is the intent of this Council to encourage the FCC and Congress to move as swiftly as possible in implementing the 988 Suicide hotline; NOW, THEREFORE,

Be it resolved by the Council of the City of Toledo:

SECTION 1. That the City of Toledo, known as a compassionate city, fully supports this proposed rule and urge all involved, within the allowed parameters of the law, to implement this change as quickly as possible to assist those in crisis.

SECTION 2.
