(Revised)

Authorizing the issuance and sale of Water System Revenue Bonds of the City in an aggregate principal amount not to exceed \$100,000,000 for the purpose of paying costs of certain capital improvements to the City’s water supply, storage and distribution system consisting of the acquisition and installation of water meters and related improvements; authorizing the execution of one or more Supplemental Indentures to supplement the Amended and Restated Trust Indenture securing outstanding water system revenue bonds of the City; authorizing and approving related matters; and declaring an emergency.

SUMMARY & BACKGROUND:

The City is authorized under Article XVIII of the Constitution of the State of Ohio and the Charter of the City to: (a) own and operate the public utility referred to as the Water System (the “**Utility**”); (b) borrow money for the purpose of paying costs of improvements to the Utility and refunding outstanding obligations previously issued for that purpose; and (c) issue bonds secured by a pledge of and lien on the Net Revenues of the Utility. By Ordinance No. 345-84, passed May 15, 1984, this Council authorized an Indenture of Mortgage dated as of June 1, 1984 (the “**Original Indenture**”) to secure water system revenue bonds issued by the City. The Original Indenture was amended and restated effective as of June 1, 2003 as provided in the Amended and Restated Indenture (Fifth Supplemental Indenture), under authority of Ordinance No. 250-03 passed by this Council on April 15, 2003 (the Original Indenture, as amended by the Amended and Restated Indenture and as further amended to date, is referred to herein as the “**Indenture**”). As of July 1, 2020, the aggregate amount of

bonds that the Utility has issued under the Indenture that remains outstanding is \$321,360,000 (the “**Outstanding Bonds**”).

As part of its current capital improvement and maintenance plan, the Department of Public Utilities has determined that it is necessary and desirable to acquire and install new water meters to replace the existing water meters that service the Utility and to make related improvements (collectively, the “**Improvements**”), certain of which Improvements shall also provide benefit to the City’s Sanitary Sewer System, and that it is necessary and proper and in the best interest of the City to issue revenue bonds in one or more series in the maximum aggregate principal amount of \$100,000,000 (the “**Series 2020 Bonds**”) at this time under the Indenture to pay costs of the Improvements, to make any required deposits to the Debt Service Reserve Fund, to pay any capitalized interest on the Series 2020 Bonds and to pay costs of issuance of the Series 2020 Bonds.

In order to secure the payment of the principal of and any premium and interest on the Series 2020 Bonds, the Mayor, Director of Finance and Director of Public Utilities, or any two of them, are authorized and directed, in the name and on behalf of the City, to sign and deliver to the Trustee, in trust for the Original Purchaser and subsequent holders of the Series 2020 Bonds, one or more Supplemental Indentures, approved as to form by the Director of Law, substantially in the form of the Supplemental Indenture now on file with the Clerk, with such changes not inconsistent with this Ordinance, the Certificate of Award and the Indenture and not substantially adverse to the City as may be approved by the officers signing the same on behalf of the City. The signing and delivery of that Supplemental Indenture by those officers shall conclusively evidence the determination by those officers that a Supplemental Indenture is not substantially adverse to the City.

Section 7. Security for the Series 2020 Bonds. As provided in the Indenture, the Series 2020 Bonds shall be payable solely from the Net Revenues and the funds established under the Indenture and shall be secured equally and ratably by (i) a pledge of and a lien on (A) the Pledged Funds and (B) the Net Revenues, provided, however, that any pledge of or lien on any fund, account, receivables, revenues, money or other intangible property not in the custody of the Trustee shall be valid and enforceable only to the extent permitted by law and (ii) the Indenture. Prior to the issuance of the Series 2020 Bonds, the Utility shall determine the Sanitary Sewer System's allocable share of the cost of the Improvements and shall establish a schedule and a mechanism whereby the Sanitary Sewer System shall pay over to the Utility its allocable share of those costs or of the related debt service payable on the Series 2020 Bonds in annual installments.

Nothing in the Ordinance, the Series 2020 Bonds or the Indenture shall constitute a general obligation, debt or bonded indebtedness of the City; neither the general resources of the City shall be required to be used, nor the general credit of the City pledged, for the performance of any duty under this Ordinance, the Series 2020 Bonds and the Indenture; and further, nothing therein gives the Holders of the Series 2020 Bonds, and they do not have, the right to have excises or taxes levied by the Council, or by the State or the taxing authority of any other political subdivision, for the payment of principal of, redemption premium, if any, and interest on the Series 2020 Bonds, but the Series 2020 Bonds are payable from the Net Revenues and the funds established under the Indenture as provided herein and in the Indenture, and each Bond shall contain a statement to that effect; provided, however, that nothing herein or in this Ordinance shall be deemed to prohibit the City, of its own volition, from using to the extent it is lawfully authorized to do so, any other resources or revenues for the fulfillment of any of the terms, conditions or obligations of the Indenture, this Ordinance or the Series 2020 Bonds.

Section 8. Covenants of City; Authorizations Relating to Federal Tax Laws.

(a) The City, by issuance of the Series 2020 Bonds, covenants and agrees with the Holders of the Series 2020 Bonds:

(iv) That it will restrict the investment and use of the proceeds of the Series 2020 Bonds in such manner and to such extent, if any, as may be necessary so that the Series 2020 Bonds will not constitute private activity bonds or arbitrage bonds under Section 141 or 148. The Director of Finance, or any other officer of the City having responsibility for the issuance of the Series 2020 Bonds shall give an appropriate certificate of the City, for inclusion in the transcript of proceedings for the Series 2020 Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Series 2020 Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of interest on the Series 2020 Bonds.

(v) That it (a) will take or cause to be taken such actions which may be required of it for the interest on the Series 2020 Bonds to be and remain excluded from gross income for federal income tax purposes, and (b) will not take or permit to be taken any actions which would adversely affect that exclusion, and that it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Series 2020 Bonds to the governmental purpose of the borrowing, (ii) restrict the yield on investment property acquired with those proceeds, (iii) make timely rebate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code. The Director of Finance and other appropriate officers are hereby authorized and directed to take any actions, make calculations and rebate payments, and make or give reports and certifications, as may be appropriate to assure such exclusion of that interest.

(b) The Director of Finance, the Director of Public Utilities or any other officer of the City having responsibility for the issuance of the Series 2020 Bonds is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Series 2020 Bonds as the City is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Series 2020 Bonds or interest thereon or assisting compliance with requirements for that purpose,

reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the issuer, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Series 2020 Bonds, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Series 2020 Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Series 2020 Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Series 2020 Bonds.

The Mayor, the Director of Finance, the Director of Public Utilities and any other appropriate officer of the City, alone or in conjunction with any of the foregoing, are authorized and directed to execute, deliver and, if applicable, file, for and in the name and on behalf of the City, any certifications, financing statements, assignments and other instruments and documents which are necessary or appropriate to perfect the assignments contemplated in the Indenture or to consummate the transactions contemplated herein or in the Indenture, and the Series 2020 Bonds. Those certifications and other instruments and documents include, without limitation, appropriate certificates under Section 103 of the Code, reports on Form 8038, any other certifications and forms necessary or advisable under the Code, and letters of representation or other agreements with a Depository pertaining to a book-entry system, and certifications by the Clerk of the transcript of proceedings relating to the issuance of the Series 2020 Bonds.

Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Series 2020 Bonds and rendering at delivery a related legal opinion. This Council acknowledges and consents to Bond Counsel rendering a legal opinion addressed to the Original Purchaser. For those legal services, that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services, and the amount necessary for such compensation and expenses is hereby appropriated and shall be paid from the proceeds of the Series 2020 Bonds and otherwise from Account No. 6064-14800-1135001STDSTD (Other Debt Service Charges).

The expenditure of the amounts necessary to secure those ratings, as well as to pay the other financing costs incurred in connection with the Series 2020 Bonds, is hereby authorized and approved, and the amounts necessary to secure those ratings and to pay those other costs are hereby appropriated and shall be paid from the proceeds of the Series 2020 Bonds and otherwise from Account No. 6064-14800-1135001STDSTD (Other Debt Service Charges).
