SUMMARY & BACKGROUND:

This ordinance allows the mayor to waive the competitive bidding requirements of the TMC 187 and enter into a contract with Innovyze Inc. for purchase of InfoAsset Planner software. SECTION 2. That this Council finds it in the best interest of the City to waive the competitive procurement requirements of Toledo Municipal Code Chapter 187 for the purchase of the InfoAsset Planner Software for the reason that this software is provided by the same manufacturer of the City's recently updated Water Distribution System Model thus allowing a seamless integration.

SECTION 3. That an amount not to exceed \$74,800 is disappropriated from the 2020 Watermain Program project in the Water Replacement Fund Account Code 6063-35000-4UC0320STDSTD.

SECTION 4. That an amount not to exceed \$74,800 is appropriated from the Water Replacement Fund into Account Code 6063-35000-4UC0421STDSTD and the expenditure of same is authorized for the purchase of the InfoAsset Planner Software.

SECTION 5. That the Director of Finance is authorized to issue his warrant or warrants against the account code listed above in an amount not to exceed \$74,800 in payment of the above authorized obligations upon presentation of the proper voucher or vouchers.

SECTION 6. That the disappropriation of any remaining budget to fund balance is authorized at project closeout.

SECTION 7. That this ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that this ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this ordinance must be immediately effective in order to permit timely development of a Water Main Replacement capital improvements plan update.
