Councilwoman Dr. Adams

Amending the Toledo Municipal Code by enacting a new Section 953.21, Youth Sports, requiring Youth Sports Organizations serving Youth Athletes and utilizing City Parks or facilities or receiving City funding to meet minimum safety requirements; and declaring an emergency.

SUMMARY & BACKGROUND:

In the Fall of 2018, the Mayor's Recreation Task Force concluded its report on policy recommendations regarding the City's parks and recreation services. Included in this report was the recommendation that any person or organization working with youth as a coach or volunteer to meet minimum safety requirements, should that person or party be using City of Toledo parks or facilities or receive City of Toledo funding. Toledo City Council recognizes the need to inspire changes in youth sports to make the experience safe, positive and fun for everyone involved. In order to realize the true value of youth sports participation and to provide a safe, positive and fun environment for youth and their families to participate, we must raise the standards among the users of our City's youth sports facilities.
