Authorizing the Mayor to execute the Modification and Amendment HOME Loan Agreement (“Agreement”) with TCCN Homes IV Limited Partnership with respect to the thirty-five (35) scattered site, single family housing units located within the Oakwood Homes IV Project upon certain terms and conditions; and declaring an emergency.

SUMMARY & BACKGROUND:

The Low-Income Housing Tax Credits program (LIHTC) is a public tool used to provide funding for the development of affordable housing. The federal government allows developers of particular affordable-housing projects to sell tax credits to investors to provide the capital necessary to build the project. Locally, community development corporations have used LIHTC as a financing tool to build many units of affordable housing and promote homeownership in Toledo.

The 35- unit scatter site Oakwood IV portfolio was developed by TCCN Homes IV Limited Partnership as General Partner and Ohio Equity fund for Housing Limited Partnership XIV as the Limited Partner. In 2005 the City of Toledo invested \$363,000 of HOME Investment Partnerships (HOME) gap financing in the project at an interest rate of 4.84% per annum, compounded annually. To prevent failure of the project prior to the end of the 16-year LIHTC compliance period, Neighborworks Toledo Region (NTR) was recruited by the City and the original investors to join the partnership and stabilize the portfolio. NTR continues to operate the Oakwood IV portfolio and through the Year 16 LIHTC, works to convert existing tenants to homeowners through the Financial Opportunity Center (FOC). NTR has refurbished or completed new construction of units that were vacant or demolished. NTR has requested forgiveness of the HOME debt including outstanding accrued interest

and principal to allow for the sale of the units and setting the interest on the HOME loan at 0%. NTR is also offering a Key Bank financed mortgage product for purchase of the units.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the Mayor is authorized to execute and deliver Agreement on such terms that are acceptable to the Director of Housing and Community Development and Director of Law which must contain the following:

- A. Adjusting the interest rate on the original HOME loan from 4.84% to 0% per annum;
- B. Forgiving of fifty percent (50%) of the current balance of accrued interest on the HOME Loan as of January 1, 2022, which is an amount equal to One Hundred Ninety-One Thousand Eight Hundred Forty and 24/100 Dollars (\$191,840.24);
- C. At the closing of each sale of the thirty five (35) single family homes of the Project, the City shall partially release the Mortgage that secures the Note for each of the thirty five (35) single family homes as well as an amount equal to 1/35th of any unpaid principal and interest on the Note in exchange for a seller's credit from Borrower in an amount equal to \$10,000.00 (collectively "**Release Payment**") to purchasers of single-family homes in Project; and (ii) the Borrower shall provide to the individual purchaser(s) of each of the single family homes a credit from Borrower as seller of a single family home in the amount of the Release Payment as a credit to assist with the purchase of each of the single family homes provided that Borrower shall only provide such credit if the individual purchaser of the single-family home was a former tenant occupant of the single family home being purchased.
- D. Units for sale pass a HUD Section 8 Housing Quality Standards ("**HQS**"), amended, and applicable housing and building codes of the City of Toledo, as amended; and
- E. In the event that NTR provides financing for the purchase of the home, NTR shall provide City with terms and conditions of financing and apply for the City's Home at Last down payment assistance on behalf of the buyer pursuant to the Home at Last program guidelines.

SECTION 2. That the Mayor is authorized to execute and deliver pursuant to Agreement with each of the thirty-five (35) single family housing unit closings a Partial Release of Mortgage to Seller; and

SECTION 3. That the Mayor through Department of Housing and Community Development will monitor compliance with Agreement by conducting HQS inspections, reviewing terms of financing provided by NTR, and review of closing statements to validate that purchasers receive Release Payment credit.

SECTION 4. That this ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that same is necessary for the fostering of homeownership and the immediate preservation of safety and wellbeing of current tenants.
