 Revised

**Providing for a Vision Zero policy to eliminate fatalities and serious injuries that are a result of crashes on City streets within the City of Toledo by 2031; and declaring an emergency.**

Whereas, one death on our streets is too many, and

Whereas, in Toledo, an average of 32 people lose their lives to traffic related fatalities every year, and hundreds more are severely injured. We cannot accept this statistic as an inevitable consequence of traveling in our city, and

Whereas, crashes on City streets necessitate a comprehensive and specific approach to street planning, design, policy, enforcement, legal processes, education and communication in order to provide the most powerful solution to solve the problem; and

Whereas, Vision Zero is a strategy to eliminate all traffic fatalities and severe injuries, while increasing safe, healthy, equitable mobility for all; and

Whereas, the City of Toledo embarked on a Vision Zero planning process, and we are adopting a bold goal to eliminate all traffic related deaths by 2031; and

Whereas, the Office of the Mayor, Department of Transportation, and the City’s professional Vision Zero consultant, Toole Design, presented a Vision Zero Plan to City Council on March 20, 2023; NOW, THEREFORE,

Be it resolved by the Council of the City of Toledo:

SECTION 1. That the City of Toledo commits to a goal of zero deaths and serious injuries that are a result of crashes on City streets by 2031 by the adoption of the Vision Zero Plan presented on March 20, 2023.

SECTION 2. That the City of Toledo is dedicated to measuring the progress, challenges, and successes of the Vision Zero commitment and will do so with tangible, reportable metrics that will be reported upon on an annual basis.

SECTION 3. That the City of Toledo acknowledges and accepts that the Vision Zero Plan may result in changes to the City's approach to the planning and design of streets, education and communication techniques, enforcement policies and procedures.

SECTION 4. That this Resolution is declared to be an emergency measure and shall be in force and effect from and after its adoption. The reason for the emergency lies in the fact that same is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this Resolution must be immediately effective in order to allow for the expeditious rehabilitation of sidewalks and driveway approaches to locations listed in Section 1 herein.

Vote on emergency clause: yeas 11, nays 0.

Adopted: April 18, 2023, as an emergency measure: yeas 11, nays 0.

Attest:

Gerald E. Dendinger  
Clerk of Council

Matt Cherry  
President of Council
