Huron Street Streetscape Plan
 Department of Economic Development
 Brandon Sehlhorst (x1692)

Authorizing the expenditure of an amount not to exceed \$70,000 from the General Fund for design services to prepare a Huron Street Streetscape Plan; and declaring an emergency.

SUMMARY & BACKGROUND:

The Lucas County Land Bank acquired the Spitzer and Nicholas buildings in 2020 and has been working with the City, ConneCToledo and Toledo-Lucas County Port Authority to stabilize the structures and return them back to productive use.

In 2022, the Lucas County Land Bank issued a two-phase request for proposals process soliciting developer interest in redeveloping both buildings. The Lucas County Land Bank will select a developer by the end of the year.

As part of the redevelopment of the long vacant Spitzer and Nicholas Buildings, the City and its partners desire to create a plan for improvements to the streetscape that will support and enhance efforts to redevelop the Four Corners.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the expenditure of an amount not to exceed \$70,000 is authorized from the General Fund Account Code 1001-16400-537410-5000436STDSTD for design services to prepare a Huron Street Streetscape Plan.

SECTION 2. That the Finance Director is authorized to issue their warrant or warrants against the

account code identified in Section 1 above in an amount not to exceed \$70,000 in payment of the above-authorized obligations upon presentation of the proper voucher or vouchers.

SECTION 3. That the disappropriation of any remaining budget to fund balance is authorized at project closeout.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that this Ordinance is necessary for the immediate preservation of the public peace, health, safety and property and for the further reason that this Ordinance must be immediately effective in order to permit timely design for the above project.

Vote on emergency clause: yeas _____, nays _____.
