Authorizing the Mayor to contract with Motorola Solutions, Inc., for the purchase of various Fire and Toledo Municipal Court communication equipment and related services; authorizing the expenditure in an amount not to exceed \$1,360,389.09 for said contract purposes; waiving the competitive bid requirements of Chapter 187 of the Toledo Municipal Code; and declaring an emergency.

SUMMARY & BACKGROUND:

This Ordinance authorizes the total expenditure of \$1,360,389.09 for Motorola Solutions, Inc. contract purchase of various Fire and Toledo Municipal Court communication equipment and related services. Motorola Solutions, Inc. is the sole source supplier for radio communication equipment for the City of Toledo. Said purchase contract replaces Fire’s and Toledo Municipal Court’s end-of-service life communication equipment cache as is necessary to remain on the County-wide Communications System following their 2024 dual authentication security update, which currently would effectively render 80% of Fire’s and 100% of Toledo Municipal Court’s communication equipment obsolete.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the Mayor is authorized to enter into an agreement with Motorola Solutions, Inc. for the purchase of Fire and Toledo Municipal Court communication equipment and related services. Said contracts shall contain such terms and conditions as the Mayor deems requisite and proper and shall be subject to approval by the Department of Law, Director of Fire and the Judges of Toledo Municipal Court.

SECTION 2. That an expenditure in an amount not to exceed \$1,299,965.78 is authorized from the 2022 Capital Improvements Fund, Account Code 5040-53000-8CP2212FIRRAD, for said contract for Fire and \$10,000 from Account Code 2090-10800-5T02954STDSTD, \$10,000 from Account Code 2090-10800-3T002923STDSTD, \$40,423.31 from Account Code 1001-10800-3000257STDSTD for Toledo Municipal Court. Total expenditure of \$1,360,389.09.

SECTION 3. That this Council finds it in the city's best interest to waive the competitive bidding requirements of Toledo Municipal Code Chapter 187 for the reason that Motorola Solutions Inc. is the sole-source provider for said communication equipment.

SECTION 4. That the Finance Director is authorized to draw a warrant or warrants against the above-referenced Account Codes in payment of the above-authorized obligation and upon presentation of proper voucher or vouchers.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that it is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason of timely and essential replacement of aging radio equipment.
