SUMMARY & BACKGROUND:

This is one of a series of ordinances that authorize the issuance of general obligation bonds that the

City plans to sell in 2020.

This ordinance authorizes the sale of up to \$2,260,000 of bonds to refund outstanding bonds issued in 2010 to refund at a lower interest cost certain prior bonds that had been issued to provide funds to make a loan to Hillcrest Apartments L.L.C. to be used to pay costs of acquiring, renovating, rehabilitating, remodeling, equipping and otherwise improving the former Hillcrest Hotel for use as a multifamily housing complex. With the issuance of the bonds authorized by this ordinance and the retirement of the prior bonds issued in 2010 that are being refunded, the City's outstanding debt will not be increased. The bonds authorized by this ordinance will be sold only if interest rates available on the sale date will provide satisfactory debt service cost savings to the City, over and above all additional expenses of sale of the bonds and the refunding of the prior bonds.

Pursuant to Ordinance No. 169-10 passed by this Council on April 13, 2010, and the related certificate of award dated June 10, 2010, signed by the Director of Finance pursuant thereto (collectively, the 2010 Bond Legislation), the City issued its \$3,595,000 Housing Improvement Refunding Bonds, Series 2010 (Hillcrest Apartments Project) (the 2010 Bonds), as a part of a consolidated issue of \$13,155,000 Various Purpose Improvement Refunding Bonds, Series 2010, dated as of July 1, 2010, for the purpose of refunding at a lower interest cost the \$3,565,000 of the City's then outstanding Multifamily Housing Bonds, Series 1998 (Hillcrest Apartments Project), dated as of July 1, 1998 (the Original Bonds), that were stated to mature on December 1 in the years 2018 and 2028 and had been issued to provide funds to make a loan to Hillcrest Apartments L.L.C. to be used to pay costs of acquiring, renovating, rehabilitating, remodeling, equipping and otherwise improving the former Hillcrest Hotel for use as a multifamily housing complex.

This Council finds and determines that, if interest rates available on the sale date will provide satisfactory savings to the City, the City should (i) refund for debt service cost savings all or a portion of the 2010 Bonds that remain outstanding and are stated to mature on December 1 in each of the years from 2021 through 2023 and 2028 (those 2010 Bonds to be refunded, to be finally determined and specified by the Director of Finance at the time of the sale of the Bonds as set forth in Section 2, being hereinafter collectively referred to as the "Refunded Bonds"), (ii) exercise the City's option to call the Refunded Bonds for optional redemption on December 1, 2020, the earliest optional redemption date for the 2010 Bonds, or such other date not more than 90 days after the Closing Date, as is determined and specified by the Director of Finance at the time of the sale of the Bonds as set forth in Section 7 and (iii) issue and sell the Bonds described in Section 2 to provide for that refunding and call.

The Director of Finance, as the fiscal officer of this City, has certified to this Council that the estimated life or period of usefulness of each class of the improvements described in Section 2 was, at the time of the issuance of the Original Bonds, at least five years, and that the maximum maturity of the Bonds described in Section 2 is at least December 1, 2028, the final maturity of the 2010 Bonds.

SECTION 2. Authorized Principal Amount and Purpose; Application of Proceeds. It is necessary to issue bonds of this City in a maximum aggregate principal amount of \$2,260,000 (the Bonds) to refund the Refunded Bonds for debt service cost savings, which Refunded Bonds were issued for the purpose of refunding at a lower interest cost the \$3,565,000 of the City’s then outstanding Multifamily Housing Bonds, Series 1998 (Hillcrest Apartments Project), dated as of July 1, 1998, that were stated to mature on December 1 in the years 2018 and 2028 and had been issued to provide funds to make a loan to Hillcrest Apartments L.L.C. to be used to pay costs of acquiring, renovating, rehabilitating, remodeling, equipping and otherwise improving the former Hillcrest Hotel for use as a multifamily housing complex, and to pay expenses related to the refunding of the Refunded Bonds and to the issuance of the Bonds.

As set forth in the preambles, based on market conditions at the time of the sale of the Bonds and her determination of the best interest of and financial advantages to the City and its residents, the Director of Finance shall determine, and shall specify in the Certificate of Award, the 2010 Bonds to be refunded by the Bonds (the Refunded Bonds).

Subject to the limitations set forth in this ordinance, the aggregate principal amount of the Bonds to be issued, the principal maturities of and the principal payment schedule for the Bonds, the interest rate or rates that the Bonds shall bear and certain other terms and provisions of the Bonds identified in this ordinance are subject to further specification or determination by the Director of Finance in the Certificate of Award to be signed upon the finalization of the terms and provisions of the Bonds. The aggregate principal amount of Bonds to be issued, as so specified in the Certificate of Award, shall be the amount determined by the Director of Finance to be necessary, taking into account any premium above the aggregate principal amount of the Bonds at which they are sold to the Original Purchaser, to carry out the purpose for which the Bonds are to be issued in a manner consistent with the agreements and covenants of the City set forth in the 2010 Bond Legislation, the Refunded Bonds and this ordinance.

SECTION 3. Denominations; Dating; Principal and Interest Payment and Redemption Provisions.

The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount stated to mature on that date. The respective principal amounts of the Bonds to be issued as Current Interest Bonds and Capital Appreciation Bonds (if any Bonds are to be issued as Capital Appreciation Bonds) shall be determined by the Director of Finance in the Certificate of Award, having due regard to the best interest of and financial advantages to the City. The Current Interest Bonds shall be dated as of the Closing Date, or such other date not later than the Closing Date and not earlier than 30 days prior to the Closing Date, as may be established by the Director of Finance in the Certificate of Award, and any Capital Appreciation Bonds shall be dated as of the Closing Date.

(a) Interest Rates and Payment Dates. The Current Interest Bonds shall bear interest at the rate or rates per year (computed on the basis of a 360-day year consisting of twelve 30-day months), not exceeding 10% per year for any stated maturity, as shall be specified by the Director of Finance (subject to the provisions of subsection (c) of this Section) in the Certificate of Award. Interest on the Current Interest Bonds shall be payable on each Interest Payment Date until the principal amount has been paid or provided for. The Current Interest Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

Any Capital Appreciation Bonds shall bear interest from the Closing Date at the compounding rate or rates per year (computed on the basis of a 360-day year consisting of twelve 30-day months), not exceeding 20% per year for any stated maturity, accrued and compounded on each Interest Accretion Date and payable at maturity, that will result in the aggregate Maturity Amounts payable at maturity, as shall be specified by the Director of Finance (subject to the provisions of subsection (c) of this Section) in the Certificate of Award. The total interest accrued on any Capital Appreciation Bond as of any particular date shall be an amount equal to the amount by which the Compound Accreted Amount of that Capital Appreciation Bond as of that date exceeds the principal amount of that Capital Appreciation Bond.

(b) Principal Payment Schedule. The Bonds shall mature, or be payable pursuant to Mandatory Redemption Requirements, on the Principal Payment Dates in the following years and principal amounts:

<u>Year</u>	<u>Principal Amount</u>	<u>Year</u>	<u>Principal Amount</u>
2021	\$250,000	2025	\$285,000
2022	250,000	2026	300,000
2023	260,000	2027	315,000
2024	270,000	2028	330,000

; provided that, subject to the limitations set forth in Sections 1 and 2 and this Section 3, the principal amount of Bonds payable on any one or more Principal Payment Dates may be increased or decreased as determined by the Director of Finance in the Certificate of Award, consistently with her determination of the best interest of and financial advantages to the City.

Consistently with the foregoing and in accordance with her determination of the amount needed for the purpose set forth in Section 2 and the best interest of and financial advantages to the City, the Director of Finance shall specify in the Certificate of Award (i) the aggregate principal amount of Bonds to be issued, (ii) the aggregate principal amount of Bonds to be issued as Current Interest Bonds, (iii) the aggregate principal amount of Current Interest Bonds to be issued as Current Interest Serial Bonds, the Principal Payment Dates on which those Bonds shall be stated to mature and the principal amount thereof that shall be stated to mature on each such Principal Payment Date, (iv) the aggregate principal amount of Current Interest Bonds to be issued as Term Bonds, the Principal Payment Date or Dates on which those Bonds shall be stated to mature, the principal amount thereof that shall be stated to mature on each such Principal Payment Date, the Principal Payment Date or Dates on which Term Bonds shall be payable pursuant to Mandatory Redemption Requirements (Mandatory Redemption Dates) and the principal amount thereof that shall be payable pursuant to Mandatory Redemption Requirements on each Mandatory Redemption Date, and (v) the aggregate principal amount of the Bonds to be issued as Capital Appreciation Bonds, if any, and the corresponding aggregate Maturity Amount of any such Bonds, the Principal Payment Date or Dates on which any such Bonds shall be stated to mature, and the principal amount and corresponding Maturity Amount thereof that shall be payable on each such Principal Payment Date.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Current Interest Bonds and the compounding rate or rates of interest per year to be borne by any Capital Appreciation Bonds, and the principal amount of Current Interest Bonds maturing or payable pursuant to Mandatory Redemption Requirements on each Principal Payment Date and the Maturity Amount of any Capital Appreciation Bonds payable on each Principal Payment Date, shall be such as to demonstrate net present value debt service cost savings to the City due to the refunding of the Refunded Bonds in an amount not less than 3.00%, after taking into account all expenses related to that refunding and the issuance of the Bonds.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of the Current Interest Bonds, and principal of and interest on any Capital Appreciation Bonds, shall be payable when due upon presentation and surrender of the Bonds at the designated corporate trust office of the Bond Registrar. Interest on a Current Interest Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15th day of the calendar month next preceding that Interest Payment Date. Notwithstanding the foregoing, if and so long as the Bonds are issued in a book entry system, principal of and interest on the Bonds shall be payable in the manner provided in any agreement entered into by the Director of Finance, in the name and on behalf of the City, in connection with the book entry system.

The City reserves the right to order the Bond Registrar to return to it any money held by the Bond Registrar for the payment of (i) checks or drafts for the payment of interest on the Bonds or (ii) principal of the Bonds, which checks, drafts or Bonds have not been presented for payment within four years following the date on which payment of the interest or principal represented thereby came due. Thereafter, the registered owners shall look only to the City for payment of the interest and principal represented by those checks, drafts and Bonds.

(e) Redemption Provisions. The Capital Appreciation Bonds, if any, shall not be subject to redemption prior to maturity. Except as otherwise specified by the Director of Finance in the Certificate of Award consistently with her determination of the best interest of and financial advantages to the City, the Current Interest Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Mandatory Redemption of Term Bonds. If any of the Current Interest Bonds are issued as Term Bonds, the Term Bonds shall be subject to mandatory redemption in part by lot and be redeemed pursuant to mandatory redemption requirements, at a redemption price of 100% of the principal amount redeemed, plus accrued interest to the redemption date, on the applicable Mandatory Redemption Dates and in the principal amounts payable on those Dates, for which provision is made in the Certificate of Award (such principal amounts being the Mandatory Redemption Requirements).

The aggregate of the moneys to be deposited with the Bond Registrar for payment of principal of and interest on the Bonds on each Mandatory Redemption Date shall include an amount sufficient to redeem on that Date the principal amount of Term Bonds payable on that Date pursuant to Mandatory Redemption Requirements (less the amount of any credit as hereinafter provided).

The City shall have the option to deliver to the Bond Registrar for cancellation Term Bonds in any aggregate principal amount and to receive a credit against the then current or any subsequent Mandatory Redemption Requirement (and corresponding mandatory redemption obligation) of the City, as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. That option shall be exercised by the City on or before the 45th day preceding any Mandatory Redemption Date with respect to which the City wishes to obtain a credit, by furnishing the Bond Registrar a certificate, signed by the Director of Finance, setting forth the extent of the credit to be applied with respect to the then current or any subsequent Mandatory Redemption Requirement for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered. If the certificate is not timely furnished to the Bond Registrar, the current Mandatory Redemption Requirement (and corresponding mandatory redemption obligation) shall not be reduced. A credit against the then current or any subsequent Mandatory Redemption Requirement (and corresponding mandatory redemption obligation), as specified by the Director of Finance, also shall be received by the City for any Term Bonds which prior thereto have been redeemed (other than through the operation of the applicable Mandatory Redemption Requirements) or purchased for cancellation and canceled by the Bond Registrar, to the extent not applied theretofore as a credit against any Mandatory Redemption Requirement, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so redeemed or purchased and canceled.

Each Term Bond so delivered, or previously redeemed, or purchased and canceled, shall be credited by the Bond Registrar at 100% of the principal amount thereof against the then current or subsequent Mandatory Redemption Requirements (and corresponding mandatory redemption obligations), as specified by the Director of Finance, for Term Bonds stated to mature on the same Principal Payment Date and bearing interest at the same rate as the Term Bonds so delivered, redeemed or purchased and canceled.

(ii) Partial Redemption. If fewer than all of the Bonds of a single maturity (or interest rate within a maturity) are to be redeemed, the selection of Bonds of that maturity or interest rate to be redeemed, or portions thereof in amounts of \$5,000 or any whole multiple thereof, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then outstanding, each \$5,000 unit of principal thereof shall be treated as if it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of a \$5,000 unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the \$5,000 unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any

Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iii) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15th day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(iv) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of subsection (d) of Section 3 and Section 5, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

SECTION 4. Execution and Authentication of Bonds; Appointment of Bond Registrar. The Bonds shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities, provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond and to distinguish Current Interest Bonds from any Capital Appreciation Bonds, and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to Article VIII, Section 16 of the Ohio Constitution, Chapters 133 and 176 of the Revised Code, the Charter of the City and this ordinance.

The Bank of New York Mellon Trust Company, N.A., is appointed to act as the initial Bond Registrar. The Director of Finance shall sign and deliver, in the name and on behalf of the City and in her official capacity, the Bond Registrar Agreement between the City and the Bond Registrar in substantially the

form as is now on file with the Clerk of Council. The Bond Registrar Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Director of Finance and the Director of Law on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Registrar Agreement or amendments to the Bond Registrar Agreement. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

SECTION 5. Registration; Transfer and Exchange; Book-Entry System.

(a) Bond Registrar. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at its designated corporate trust office. Subject to the provisions of subsection (d) of Section 3 and subsection (c) of Section 6, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Subject to any inhibitions of book entry form during any period in which the Bonds are in book-entry form, any Bond may be (i) exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar, and (ii) transferred only on the Bond Register upon presentation and surrender of the Bond at the designated corporate trust office of the Bond Registrar, together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign or provide for signing and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the

exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond proceedings, as the Bonds surrendered upon that exchange or transfer.

Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

(c) Book-Entry System. Notwithstanding any other provisions of this ordinance, if the Director of Finance determines in the Certificate of Award that it is in the best interest of and financially advantageous to the City, the Bonds may be issued in book-entry form in accordance with the provisions of this Section.

The Bonds may be issued to a Depository for use in a book-entry system and, if and so long as a book-entry system is utilized, (i) the Bonds may be issued in the form of a single, fully registered Bond representing each maturity and interest rate within a maturity and registered in the name of the Depository or its nominee, as registered owner, and deposited with and maintained in the custody of the Depository or its designated agent (which may be the Bond Registrar); (ii) the owners of book-entry interests in Bonds shall have no right to receive Bonds in the form of physical securities or certificates; (iii) ownership of book-entry interests in Bonds shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book-entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book-entry system, the Director of Finance may attempt to establish a securities depository/book-entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the book-entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Bonds from the Depository, and shall cause bond certificates in registered form to be authenticated by the Bond Registrar and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed to the extent necessary or required to enter into any agreements, in the name and on behalf of the City, that she determines to be necessary in connection with the book-entry system for the Bonds, after determining that the signing thereof will not endanger the funds or securities of the City.

SECTION 6. Sale of the Bonds.

(a) To the Original Purchaser. The Bonds shall be awarded and sold by the Director of Finance to the Original Purchaser at private sale at a purchase price not less than 100% of the aggregate principal amount thereof plus accrued interest on the Current Interest Bonds from their date to the Closing Date, as shall be determined in the Certificate of Award, and with and upon such other terms as are required or authorized to be specified in the Certificate of Award, in accordance with law, the provisions of this ordinance and the Purchase Agreement. The Director of Finance is authorized, if she determines it to be in the best interest of the City, to combine the issue of the Bonds with one or more other issues of unvoted general obligation bonds of the City into a consolidated bond issue pursuant to Section 133.34(A)(3) of the Revised Code, in which case a single Certificate of Award may be used for the consolidated bond issue if appropriate and consistent with the terms of this ordinance.

The Director of Finance shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance.

The Mayor and the Director of Finance are authorized to sign and deliver, in the name and on behalf of the City and in their official capacities, a Purchase Agreement between the City and the Original Purchaser in substantially the form as is now on file with the Clerk of Council, providing for the sale of the Bonds to, and the purchase of the Bonds by, the Original Purchaser. The Purchase Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance or the Certificate of Award and not substantially adverse to the City and that are approved by the Mayor, the Director of Finance and the Director of Law on behalf of the City, all of which shall be conclusively evidenced by the signing of the Purchase Agreement or amendments to that Agreement.

(b) Primary Offering Disclosure - Official Statement. The Mayor and the Director of Finance are authorized and directed, on behalf of the City and in their official capacities, to (i) prepare or cause to be prepared, and make or authorize modifications, completions or changes of or supplements to, a disclosure document in the form of an official statement relating to the original issuance of the Bonds, (ii) determine, and to certify or otherwise represent, when the official statement is to be “deemed final” (except for permitted omissions) by the City as of its date or is a final official statement for purposes of paragraph (b) of the Rule, (iii) use and distribute, or authorize the use and distribution of those official statements and any supplements thereto in connection with the original issuance of the Bonds, and (iv) complete and sign the final official statement and any supplements thereto as so approved, together with such certificates, statements or other documents in connection with the finality, accuracy and completeness of those official statements and any supplements, as they may deem necessary or appropriate.

(c) Agreement to Provide Continuing Disclosure. For the benefit of the holders and beneficial owners from time to time of the Bonds, the City agrees to provide or cause to be provided such financial information and operating data, audited financial statements and notices of the occurrence of certain events, in such manner as may be required for purposes of Securities and Exchange Commission Rule 15c2-12 (the Rule). The Mayor and the Director of Finance are authorized and directed to complete, sign and deliver the Continuing Disclosure Agreement, in the name and on behalf of the City, in substantially the form as is now on file with the Clerk of Council. The Continuing Disclosure Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Mayor, the Director of Finance and Director of Law on behalf of the City, all of which shall be conclusively evidenced by the signing of the Continuing Disclosure Agreement.

The Director of Finance is further authorized and directed to establish procedures in order to ensure compliance by the City with its Continuing Disclosure Agreement, including timely provision of information and notices as described above. Prior to making any filing required under the Rule, the Director of Finance shall consult with and obtain legal advice from, as appropriate, the Director of Law and bond counsel or other qualified independent special counsel selected by the City. The Director of Finance, acting in the name and on behalf of the City, shall be entitled to rely upon any such legal advice in determining whether a filing should be made. The performance by the City of its Continuing Disclosure Agreement shall be subject to the annual

appropriation of any funds that may be necessary to perform it.

(d) Application for Rating or Bond Insurance; Legal Services; Municipal Advisor; Financing Costs. If, in the judgment of the Director of Finance, the filing of an application for (i) a rating on the Bonds by one or more nationally recognized rating agencies, and/or (ii) a policy of insurance from a company or companies to better assure the payment of principal of and interest on all or a portion of the Bonds, is in the best interest of and financially advantageous to this City, the Director of Finance is authorized to prepare and submit those applications, to provide to each such agency or company such information and take such other actions and enter into any agreements, in the name and on behalf of the City, as she determines to be required for the purpose, and to accept a commitment for insurance issued by a nationally recognized municipal bond insurance company insuring the payment when due of the principal of and interest on all or any portion of the Bonds.

The legal services of the law firm of Squire Patton Boggs (US) LLP as bond and disclosure counsel to the City be and are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery related legal opinions and advice. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services.

If, in the judgment of the Director of Finance, it would be advantageous to the City to retain the services of a municipal advisor or other financial consultant to provide financial advice and otherwise assist the City in connection with the original issuance of the Bonds, the Director of Finance is authorized to solicit and receive formal or informal proposals for the services of such an advisor or consultant from qualified organizations and to retain the organization submitting the proposal to provide the services she determines to be the best.

The expenditure of the amounts necessary to secure such legal services, any such rating or ratings on the Bonds, any such policy of insurance and any such municipal advisory services, and to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds, except to the extent paid by the Original Purchaser in accordance with the Purchase Agreement, is authorized and approved. The amounts necessary to pay those costs, to the extent allocable to the Bonds, are hereby appropriated from Account Code 5040-14800-1135001STDSTD (Costs of Issuance).

SECTION 7. Refunding; Redemption of Refunded Bonds. This Council determines that, subject to the determination of the Director of Finance that rates available on the sale date will enable the City to obtain net present value debt service savings in an amount not less than that set forth in Section 3(c), it is necessary and in the best interest of the City to refund all of the Refunded Bonds and to redeem all of the Refunded Bonds, at a redemption price of 100% of the principal amount thereof, plus accrued interest to the redemption date, on December 1, 2020, or such other date not more than 90 days after the Closing Date as is determined and specified by the Director of Finance at the time of the sale of the Bonds. The Director of Finance is authorized and directed to give or cause to be given to The Bank of New York Mellon Trust Company, N.A., as the authenticating agent, bond registrar, transfer agent and paying agent for the Refunded Bonds, on or promptly after the Closing Date, written notice of that call for redemption, and the Refunded Bonds shall be redeemed in accordance with the 2010 Bond Legislation and the Escrow Agreement. The City covenants for the benefit of the holders of the Refunded Bonds and of the Bonds, that it will at no time on or after the Closing Date take actions to modify or rescind that call for prior redemption, and that it will take, and will cause the

bond registrar and paying agent for the Refunded Bonds to take, all steps required by the terms of the Refunded Bonds to make and perfect that call for prior redemption.

SECTION 8. Escrow Trustee. The Bank of New York Mellon Trust Company, N.A., is authorized and appointed to act as the initial Escrow Trustee with respect to the refunding of the Refunded Bonds. The Escrow Trustee is authorized and directed to cause notice of the refunding of the Refunded Bonds to be given in accordance with the Escrow Agreement. The Mayor and the Director of Finance shall sign and deliver, in the name and on behalf of the City and in their official capacities, the Escrow Agreement, in substantially the form as is now on file with the Clerk of Council. The Escrow Agreement is approved, together with any changes or amendments that are not inconsistent with this ordinance and not substantially adverse to the City and that are approved by the Mayor, the Director of Finance and the Director of Law on behalf of the City, all of which shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from other funds lawfully available and that are appropriated, or shall be appropriated, for that purpose.

SECTION 9. Escrow Fund. There is created under the Escrow Agreement a trust fund designated the "2020 City of Toledo Refunded GO Bonds Escrow Fund" which shall be held and maintained by the Escrow Trustee in trust for the registered owners of the Refunded Bonds and is pledged for the payment of principal of and interest on the Refunded Bonds, all in accordance with the provisions of the Escrow Agreement. The Director of Finance is hereby authorized and directed to pay to the Escrow Trustee for deposit in the Escrow Fund (i) any funds on deposit in the Bond Retirement Fund for the payment of debt charges on the Refunded Bonds determined by the Director of Finance to be applied for that purpose, and (ii) proceeds from the sale of the Bonds in the amount required, together with the funds referred to in (i), to provide for the defeasance of the Refunded Bonds. The funds and proceeds so deposited in the Escrow Fund are appropriated, and shall be applied, to pay principal of and interest on the Refunded Bonds, as provided in the Escrow Agreement.

The funds and proceeds so deposited in the Escrow Fund shall be (a) held in cash to the extent that they are not needed to make the investments hereinafter described and (b) invested in direct obligations of, or obligations guaranteed as to payment by, the United States of America (within the meaning of Section 133.34 (D) of the Revised Code) that mature or are subject to redemption by and at the option of the holder, in amounts sufficient, together with any uninvested cash in the Escrow Fund but without further investment or reinvestment, for the payment of (i) any interest when due on any scheduled interest payment date for the Refunded Bonds following the Closing Date and accrued interest due upon the redemption of the Refunded Bonds, and (ii) the principal of the Refunded Bonds when due upon their redemption, as provided in the Escrow Agreement.

If U.S. Treasury Securities -- State and Local Government Series are to be purchased for the Escrow Fund, the Escrow Trustee is hereby specifically authorized to file, on behalf of the City, subscriptions for the purchase and issuance of those U.S. Treasury Securities - State and Local Government Series. If, in the judgment of the Director of Finance, an open-market purchase of obligations described in (b) in the preceding paragraph for the Escrow Fund is in the best interest of and financially advantageous to this City or necessary because U.S. Treasury Securities -- State and Local Government Series are not available, the Director of Finance or any other officer of the City, on behalf of the City and in her official capacity, may purchase and deliver such obligations, engage the services of a financial advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of,

the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Original Purchaser in accordance with the Purchase Agreement, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose. Any actions heretofore taken by any of those officers in connection with the foregoing are hereby ratified and approved.

If the City determines to refund other outstanding unvoted general obligation bonds (collectively, the Other Refunded Obligations) contemporaneously with the refunding of the Refunded Bonds, the proceeds from the sale of bonds and other funds necessary and sufficient for that purpose may be deposited in the Escrow Fund and commingled and invested with the proceeds of the Bonds and other funds necessary and sufficient for the refunding of the Refunded Bonds. In that event, the Escrow Fund shall be held and maintained by the Escrow Trustee in trust for the registered owners of the Refunded Bonds and the Other Refunded Obligations and pledged to the payment of principal of and interest and any redemption premium on the Refunded Bonds and the Other Refunded Obligations.

SECTION 10. Application of Proceeds. The proceeds from the sale of the Bonds shall be applied as follows: (i) proceeds in the amount required, together with any funds on deposit in the Bond Retirement Fund or otherwise available for the payment of debt charges on the Refunded Bonds and determined by the Director of Finance to be applied for the purpose, to provide for the defeasance of the Refunded Bonds shall be paid into the Escrow Fund as provided in Section 9, (ii) any proceeds to be used for the payment of any expenses properly allocable to the refunding of the Refunded Bonds or the issuance of the Bonds, as determined by the Director of Finance, shall be paid into the proper fund or funds and applied for that purpose and (iii) any proceeds representing accrued interest and any other remaining proceeds shall be paid into the Bond Retirement Fund. The proceeds from the sale of the Bonds (except any accrued interest) are appropriated and shall be used for the purpose for which the Bonds are being issued.

SECTION 11. Provisions for Tax Levy. There shall be levied on all the taxable property in the City, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due.

SECTION 12. Federal Tax Considerations. The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (i) the Bonds will not (A) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (B) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (ii) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (i) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and remain excluded from gross income for federal income tax purposes, (ii) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of the Bonds to the

governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance or any other officer of the City having responsibility for issuance of the Bonds is hereby authorized (i) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Bonds as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments of penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (ii) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (iii) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on the Bonds and the tax status of the Bonds.

Each covenant made in this Section with respect to the Bonds is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Bonds (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Bonds.

SECTION 13. Certification and Delivery of Ordinance and Certificate of Award. The Clerk of Council is directed to deliver to the Lucas County Auditor (i) a certified copy of this ordinance and (ii) a signed copy of the Certificate of Award.

SECTION 14. Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be performed by the City or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the City of Toledo have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 11) of the City are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 15. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this ordinance were taken, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.

SECTION 16. Effective Date. This ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and property of the City, and for the further reason that this ordinance is required to be effective immediately in order to issue and sell the Bonds, which is necessary to enable the City to currently refund the Refunded Bonds upon terms in the best interest of and advantageous to the City and thereby to achieve debt service cost savings available under current favorable market conditions; wherefore, this ordinance shall be in full force and effect immediately upon its passage or at the earliest time allowed by law.
