**Authorizing the expenditure of \$507,000 from the Capital Improvement Fund; authorizing the Mayor to take bids and enter into contracts for Improvements to the Downtown Seawall; and declaring an emergency.**

### SUMMARY & BACKGROUND:

As a result of Mannik & Smith Group's inspection and recommendations, a large section of the concrete walkway on the riverfront in Promenade Park has been closed to traffic due to structural concerns. This section of the park is typically heavily traveled by foot and bicycle. It is the desire of the City of Toledo to repair and restore the necessary sections of seawall to provide a safe multi-use path along the riverfront downtown. This path will be eventually incorporated into the Toledo Metroparks Downtown Riverwalk. This project has been fully designed and competitively bid for construction. The lowest bidder came in at \$1,442,904.75, an amount appropriate for the size and nature of this project. Ordinance 117-20 authorized \$1,000,000 toward this project. Ordinance 496-20 appropriated an additional \$507,000 toward this project.

This legislation authorizes the expenditure of the funds appropriated under ordinance 496-20.

The fiscal impact of this ordinance is as follows:

- The amount of funds requested: **\$507,000 already appropriated. No new funds.**
- The expenditure budget line item: **5040-23100-8CP2029SEAWAL**
- New revenue generated (operational revenue, grants, if any): **none**
- Revenue budget line item (if any): **none**
- Are funds budgeted in the current fiscal year (yes/no)?: **yes**
- Is this a capital project (yes/no)? **yes**
- If yes, is it new or existing (new/existing)? **Upgrade existing**
- What section of the City's Strategic Plan does this support:
  - o Excellence in Basic Services (yes/no) **yes**
  - o Quality Community Investment (Livable City, Development) (yes/no) **yes**
  - o Workplace Culture & Customer Service (yes/no) **no**
  - o Environment (yes/no) **yes**

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the amount of \$507,000.00 is authorized for expenditure from the Capital Improvement Fund Account Code 5040-23100-8CP2029SEAWAL for Improvements to the Downtown Seawall.

SECTION 2. That the Mayor is authorized to accept bids and award contracts for Improvements to the Downtown Seawall that are deemed necessary by the Commissioner of the Division of Streets, Bridges and Harbor upon terms and conditions acceptable to the Director of Public Service and the Director of Law.

SECTION 3. That the Finance Director is authorized to draw his warrant or warrants against the account code identified in Section 1 in amounts not to exceed \$507,000.00 in payment of the obligations authorized above upon presentation of the proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that same is necessary for the preservation of the public peace, health, safety and property and for the further reason that this Ordinance must be immediately effective in order to make needed improvements to the Downtown Seawall prior to the 2021 Solheim Cup.
