**Authorizing the expenditure not to exceed \$25,000 from the Capital Improvement Fund District Improvement Program for the Smith Park Playground Project; authorizing the Mayor to execute the necessary contract(s); and declaring an emergency.**

**SUMMARY & BACKGROUND:**

The Toledo Community Coalition submitted a District Improvement Program application for the Smith Park Playground Project in District 1. The proposal includes state of the art accessible playground equipment to complement the new Mott Branch Library located at Smith Park. The applicant has been working with the Division of Parks and Recreation on an overall plan for amenities at Smith Park, and the District Improvement Program award would help to fund the estimated \$125,000 project. Additional sources of funding have been identified for this project. The District Improvement Review Committee convened on September 16, 2019, and recommended approval of this application in an amount not to exceed \$25,000.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That a sum not to exceed \$25,000 is authorized for expenditure from Account Code 5040-16400-8CP1817DNGPRO for the District Improvement Program, Smith Park Playground Project, as detailed in Attachment A.

SECTION 2. That the Mayor is authorized to execute the necessary contract(s) for the District Improvement Program, Smith Park Playground Project upon such terms and conditions as shall be approved by the Director of the Department of Neighborhoods and Business Development, the Director of Public Service and the Director of Law.

SECTION 3. That the Director of Finance is authorized to draw warrant or warrants against the above account code in payment of the above authorized obligations in an amount not to exceed that authorized in Section 1 upon presentation of the proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that the same is necessary for the immediate preservation of the public peace, health, safety and property and so that this project can be initiated as soon as possible for neighborhood development.
