SUMMARY & BACKGROUND:

This ordinance funds the construction of a sewer replacement to serve J.M. Smucker Company. The existing sewer that serves the company is in extremely poor condition and needs to be replaced immediately. This project will be funded from the Sewer Replacement Fund.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount not to exceed \$200,000 is appropriated from the unappropriated balance of the Sewer Replacement Fund, into Account Code 6073-35000-4UC1419STDSTD for the Laskey Road Sewer Replacement Project; and the expenditure of same is authorized.

SECTION 2. That the mayor is authorized to prepare plans and specifications and to accept bids and award contracts in an amount not to exceed \$200,000 for said project including such items as labor, materials, real estate incidentals, purchase of rights-of-way and easements, and professional services as necessary to undertake said project. Contract shall contain such terms and conditions as the mayor may deem requisite and proper, and shall be subject to approval by the Director of Law and the Director of Public Utilities.

SECTION 3. That the Director of Finance is authorized to issue his warrant or warrants against the account code listed in Section 1, in amounts not to exceed \$200,000 in payment of the obligations authorized in Section 2 upon presentation of the proper voucher or vouchers.

SECTION 4. That the disappropriation of any remaining budget to fund balance is authorized at project closeout.

SECTION 5. That this ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that this ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this ordinance must be immediately effective in order to permit the earliest possible construction of this sewer replacement.
