INTRA-GOVERNMENT SERVICES AGREEMENT

Human Resources

Tyrome Alexander (x1031)

Authorizing the Mayor to enter into an agreement with the Lucas County Commissioners to accept the service of a County employee for the purpose of assisting the City with business development and expansion; authorizing the annual expenditure of an amount not exceed \$55,000 from the General Fund; and declaring an emergency.

SUMMARY & BACKGROUND:

The City of Toledo and Lucas County together recognize the need to attract new businesses, and expand existing businesses, to the region. The City and County further recognize that in an effort to not only avoid unnecessary duplication of efforts but also to reduce costs, a joint approach is desirable. To that end, this ordinance authorizes the City to enter into an agreement with Lucas County whereby the County provides the service of its employee(s) to the City specifically for assistance in the City's economic development department. This ordinance further authorizes the City to pay for said the services at a fixed amount not to exceed \$55,000 annually, for one year, with a right to renew the agreement for a second year.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the Mayor is authorized to enter into an agreement for one year with the option to renew for an additional year with the Lucas County Commissioners for the purpose of providing services to the City consisting of job-sharing a County employee(s) for the express purpose of economic and business development within the City.

SECTION 2. That the expenditure of an amount not to exceed \$55,000 annually over the life of the agreement is authorized from the General Fund, Account Code 1001-16400-5661001STDSTD, as a continuing obligation subject to approved appropriations for the services authorized in Section 1.

SECTION 3. That the Director of Finance is authorized to draw his warrant or warrants against the above Account Code in payment of the above authorized obligations upon presentation of the proper vouchers.

SECTION 4. That this Ordinance is declared an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that the same is necessary for the immediate preservation of the public peace, health, safety, property, and for the further reason that the City must act quickly to continue its ongoing business development efforts.
