SUMMARY & BACKGROUND:

This ordinance authorizes a contract for the performance of sanitary sewer repairs in sewer District 1 (North and East) within the public rights-of-way and/or public sanitary sewer easements beyond the scope of what the in-house crews are capable of performing. Bids have been solicited received and lowest and best bidder has been selected in accordance with law. Funds have been identified in the 2018 operating budget to pay the anticipated cost of said sanitary sewer repairs.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the mayor is authorized to enter into a one (1) year contract with (2) one (1) year extension options and to execute all documents necessary and proper to facilitate sanitary sewer repairs in District 1 (North and East) within the public rights-of-way and/or public sanitary sewer easements upon such terms and conditions shall be approved by the Director of Public Utilities and the Director of Law.

SECTION 2. That the expenditure in an amount not to exceed \$778,746 annually from the Sanitary Sewer Operating Fund in account code 6070-37000-4000509STDSTD is authorized for sanitary sewer repairs in District 1 (North and East) within the public rights-of-way and/or public sanitary sewer easements, subject to the availability of funds in future years.

SECTION 3. That the Finance Director is authorized to issue her warrant or warrants against the account code identified in Section 2 above in an amount not to exceed \$778,746 annually in payment of the obligations incurred pursuant to the contract authorized in Section 1 upon presentation of the proper voucher or vouchers.

SECTION 4. That this ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that this ordinance is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this ordinance must be immediately effective in order to allow for the timely repairs of the sanitary sewers District 1 (North and East) within the public rights-of-way and/or public sanitary sewer easements.
