SUMMARY & BACKGROUND:

The Division of Engineering Services is requesting the expenditure of \$1,000,000 from the Capital Improvement Fund for the 2018 Sidewalk Program. Further, Resolution 188-18 has been proposed to begin the assessment process and provide notice to property owners in accordance with the City's sidewalk policy.

All of the funds included in this ordinance are for work that is scheduled to begin in 2018. Authorization for appropriation and expenditure of these critical funds now will allow for timely bidding and construction to ensure all projects are completed this year in a balanced, efficient fashion.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount not to exceed \$1,000,000 is authorized for expenditure from the Capital Improvement Fund Account Code 5040-35000-8CP1818SIDWLK for the 2018 Sidewalk Program.

SECTION 2. That an amount not to exceed \$560,000 is appropriated from the Special Assessment Improvement Fund into Account Code 5057-35000-8A10638STDSTD for the Assessed portion of the 2018 Sidewalk Program; and the expenditure of same is authorized.

SECTION 3. That the mayor is authorized to prepare plans and specifications and to enter into contracts after accepting bids for the 2018 Sidewalk Program as necessary to complete the improvements identified above including such items as labor, materials, construction testing and professional services and for property appraisals, title work, negotiations, acquisition, and environmental contamination studies that are necessary to acquire additional rights-of-way as required. Contracts shall contain such terms and conditions as the mayor may deem requisite and proper and shall be subject to approval by the Director of Public Utilities and the Director of Law.

SECTION 4. That the Director of Finance is authorized to issue his warrant or warrants against the Account Codes listed in Section 1 and Section 2 in an amount not to exceed \$1,560,000 in payment of the obligations authorized above upon presentation of the proper voucher or vouchers.

SECTION 5. That the disappropriation of any remaining budget to fund balance is authorized at project closeout.

SECTION 6. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that same is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this Ordinance must be immediately effective in order to facilitate this work to meet completion deadlines.
