SECTION 2. That the mayor is authorized to prepare plans and specifications, accept bids, and enter into contracts for said projects including such items as labor, materials, real estate incidentals, testing, purchase of rights-of-way and easements, and professional services necessary to undertake said projects. by the Director of Law and the Director of Public Utilities.

SECTION 3. That the Director of Finance is authorized to issue his warrant or warrants against the account code listed in Section 1 in an amount not to exceed \$250,000 in payment of the above authorized obligations upon presentation of the proper voucher or vouchers.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that this Ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this Ordinance must be immediately effective in order to permit the earliest possible construction of the Gladstone Avenue Sewer Replacement Project.
