**Declaring it necessary to improve intersections at Copley Drive and Marriat Road, Hill Avenue and Dunderry Lane, Thayer Street and Alley Intersection, and Worley Place and E. Manhattan Boulevard; by installing street lighting; and declaring an emergency.**

### SUMMARY & BACKGROUND:

The Street Lighting Section of the Division of Engineering and Construction Management has received numerous complaints regarding the absence of lighting at the intersections of Copley Drive and Marriat Road, Hill Avenue and Dunderry Lane, Thayer Street and Alley Intersection, and Worley Place and E. Manhattan Boulevard. The Street Lighting Section surveyed the areas and determined that current street lighting is not adequate. This resolution proposes installing a streetlight at each of these locations to illuminate the intersections.

The annual cost of these improvements is estimated to be \$111.48 for each intersection with a one-time installation cost of \$825 each. These costs will be paid from the General Fund Utilities account.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That it is hereby determined to proceed with the improvement of the following lots and lands by installing street lighting, as described below, pursuant to the authority cited below and in accordance with Resolution No. 410-22, adopted on August 16, 2022, and in accordance with plans, specifications, and estimates heretofore approved and on file in the Division of Engineering and Construction Management.

- A. The intersection of Copley Drive and Marriat Road by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.
- B. The intersection of Hill Avenue and Dunderry Lane by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.
- C. The intersection of Thayer Street and Alley Intersection by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.
- D. The intersection of Worley Place and E. Manhattan Boulevard by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.

SECTION 2. That the plans, specifications, and cost estimates for this proposed improvement, which are on file in the Division of Engineering and Construction Management, are approved.

SECTION 3. That the city's portion of the annual cost and expense of said improvement, together with damages, if any, awarded to the owner of adjoining lands, with interest thereon, and the costs and expenses of any such award, along with the cost of installation shall be paid from the General Fund, Account Code 1001-

11200-2424004STDSTD, by the city in a manner provided by law.

SECTION 4. That the remaining costs related to the improvement shall be levied and assessed annually in accordance with the Assessing Ordinance hereafter to be passed by City Council, and said assessments shall be certified to the County Auditor to be placed upon the tax duplicate and collected as other taxes.

SECTION 5. That the Toledo Edison Company is hereby authorized and directed to accomplish the improvements described in Section 1 hereof; such lights to be erected and maintained, and payment, therefore, to be made in accordance with the applicable terms and provisions of the Toledo Edison street lighting tariff as approved by the Public Utilities Commission of Ohio.

SECTION 6. That the Clerk of Council be and he is hereby directed to furnish said Toledo Edison Company with a certified copy and written notice of the passage of the ordinance after publication of the same.

SECTION 7. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that the same is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this Ordinance must be immediately effective in order to expedite the installation of street lighting

Vote on emergency clause: yeas 12, nays 0.

Passed: January 24, 2023 as an emergency measure: yeas 12, nays 0.
