Building Inspection Professional Services
Economic Development/Building Inspection
Amy Sackman Odum (x3647) / Ken Fischer (x1229)
Revised

Authorizing the Mayor to enter into a contract with Accela Inc. to create and purchase a payment adaptor to maintain online payment functions with current Accela software; waiving the competitive bidding requirements of TMC 187; making findings with respect thereto; authorizing the expenditure of \$40,000 from the General Fund; and declaring an emergency.

SUMMARY & BACKGROUND:

The City currently uses software from Accela Inc. for the permitting and licensing functions used in the Division of Building Inspection and other City departments. The current version of Accela does not support the new banking requirements regarding credit card payments and security protocols. The banking protocols changed in July 2018; therefore, Building Inspection has not been able to process online payments since that time. This payment adaptor will allow online payments from homeowners, contractors and license holders.

The fiscal impact of this ordinance is as follows:

- The amount of funds requested: \$40,000
- The expenditure budget line item: 1001-56300-5652001STDSTD
- New revenue generated (operational revenue, grants, if any): none
- Revenue budget line item (if any): none
- Are funds budgeted in the current fiscal year (yes/no)?: yes
- Is this a capital project (yes/no)?: no
- If yes, is it new or existing (new/existing)?:N/A
- What section of the City's Strategic Plan does this support:
 - o Excellence in Basic Services (yes/no) yes
 - o Quality Community Investment (Livable City, Development) (yes/no) yes
 - o Workplace Culture & Customer Service (yes/no) yes
 - o Environment (yes/no) yes

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the Mayor is authorized to enter into a contract for the purchase and implementation of an online payment adaptor for the permitting and licensing system used in the Division of Building Inspection.

SECTION 2. That this Council finds it is in the best interest of the city to waive the competitive bidding requirements of TMC Chapter 187 for the reason that Accela software is currently in use by the Division of Building Inspection and Accela Inc. has the sole-source capability to implement the online payment adaptor with the existing software.

SECTION 3. That the expenditure of an amount not to exceed \$40,000 is authorized from the General Fund Account Code 1001-56300-5652001STDSTD for the professional services provided by Accela Inc. for the online payment adaptor.

SECTION 4. That the Director of Finance is authorized to issue his warrant or warrants against the above referenced Account Code in the amount not to exceed \$40,000 in payment of the above authorized obligations upon presentation of proper vouchers.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that this ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this ordinance must be immediately effective in order to reestablish online payments and software services in the Division of Building Inspection.

Vote on emergency clause: yeas 12, nays 0.

Passed: October 15, 2019, as an emergency measure: yeas 12, nays 0.

Attest:

Gerald E. Dendinger
Clerk of Council

Matt Cherry
President of Council

Approved:

October 15, 2019
Wade Kapszukiewicz
Mayor
