TDOT2022MATCHESANDPLANNING  
Road & Bridge Maintenance  
Jeremy Mikolajczyk (x1537)  
Revised

**Authorizing the expenditure of an amount not to exceed \$500,000 from the Capital Improvement Fund for the Road & Bridge Maintenance Matches and Planning Program; authorizing the mayor to prepare plans and specifications, acquire required rights-of-way as appropriate, accept bids and award contracts for Road & Bridge Maintenance Matches and Planning improvement projects within the Division of Road & Bridge Maintenance; and declaring an emergency.**

### SUMMARY & BACKGROUND:

Every year, the Division of Road & Bridge Maintenance (formerly Streets, Bridges & Harbor) includes in its annual CIP fund request a line item for Matches and Planning. This line item represents the funding that is needed in order to supply match amounts for outside grants and loans the Division has anticipated and secured, as well as to plan for future projects with design, testing and environmental work. Some of these projects include, but are not limited to, Kuhlman Drive over NSRR, Berdan over NSRR, Miami Street Embankment, and Summit Street Embankment. This funding is included in the 2022 - 2026 CIP Plan appropriated under Ord. 90-22. It is imperative that the Division of Road & Bridge Maintenance's Matches and Planning Program be authorized immediately as there are strict deadlines for planning, design, environmental, bid, and construction associated with each grant fund source.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount not to exceed \$500,000 is authorized for expenditure from the Capital Improvement Fund Account Code 5040-23100-8CB2203MATCHP, for Road & Bridge Maintenance Matches and Planning capital improvement projects.

SECTION 2. That the mayor is authorized to accept bids and enter into contracts that are deemed necessary by the Commissioner of the Division of Road & Bridge Maintenance to carry out the capital improvement projects in Section 1 upon such terms and conditions acceptable to the Director of Transportation and the Director of Law.

SECTION 3. That the Finance Director is authorized to draw their warrant or warrants against the account code identified in Section 1 in an amount not to exceed \$500,000 in payment of the obligations authorized above upon presentation of the proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that same is necessary for the preservation of the public peace, health, safety and property and for the further reason that this Ordinance must be immediately effective in order to meet deadlines for planning, design, environmental, bid and construction.
