TDOT011724CIPROADWAYMATCHESANDPLANNING

Engineering Services

Timothy Grosjean (x1344)

Revised

Authorizing the appropriation and expenditure of an amount not to exceed \$8,300,000 from the Capital Improvement Fund for the Matches & Planning Roadway Program; authorizing the Mayor to prepare plans and specifications, acquire required rights-of-way as appropriate, and enter into contracts for these projects within the Division of Engineering and Construction Management; and declaring an emergency.

SUMMARY & BACKGROUND:

The Division of Engineering and Construction Management is requesting the appropriation of an amount not to exceed \$8,300,000 from the Capital Improvement Fund for the Matches & Planning program. This money will be used to provide City match dollars to state and federal grants and loans.

The Matches & Planning program provides funding that is needed to supply match dollars for outside grants and loans the division has anticipated and secured, as well as to plan for future larger scale projects. These CIP funds will match federal and state transportation funds already approved through multiple sources.

Appropriation of these critical funds now will allow for timely bidding and construction to ensure all projects are completed this year in a balanced and efficient fashion. It also allows for the processing of agreements needed to accept the outside grant and loan dollars before funding agency deadlines.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount not to exceed \$8,300,000 is appropriated in the Capital Improvement Fund into Account Code 5040-35000-8CP2403STREET; and further authorizing the expenditure of same for the Matches and Planning Roadway Program.

SECTION 2. That the Mayor is authorized to prepare plans and specifications, as well as authorized to accept bids and enter into contracts necessary to complete the planning, design, and construction of roadway matches and planning projects, including such items as labor, materials, construction testing and professional services and for property appraisals, title work, negotiations, acquisition, and environmental contamination studies that are necessary to acquire additional rights-of-way as required. Contracts shall contain such terms and conditions as the Mayor may deem requisite and proper and shall be subject to approval by the Directors of Law and Transportation.

SECTION 3. That the Finance Director is authorized to issue their warrant or warrants against the Account Code identified in Section 1 in an amount not to exceed \$8,300,000 in payment of the obligations incurred pursuant to the contract authorized in Section 2 above upon presentation of proper voucher or vouchers.

SECTION 4. That the disappropriation of any remaining budget to fund balance is authorized at project

closeout.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that this Ordinance is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that this Ordinance must be immediately effective in order to facilitate this work beginning early this year to meet completion deadlines.

Vote on emergency clause: yeas _____, nays _____.

Passed: _____, as an emergency measure: yeas _____, nays _____.
