Revised

Authorizing the expenditure of an amount not to exceed \$150,000 from the Capital Improvement Fund for replacing the decking and handrails on the Harvard Overlook at Walbridge Park; authorizing the Mayor to accept bids and award contracts for said purpose; and declaring an emergency.

SUMMARY & BACKGROUND:

This ordinance authorizes expending up to \$150,000 for replacing the decking and handrails on the Harvard Overlook at Walbridge Park. An evaluation of the overlook at Walbridge Park showed the super-structure to be in good condition. It was also determined that the decking material and handrails needed replacement. This project will extend the life of this park facility for 15-20 years. This project will also ensure continued accessibility to the river overlook for all residents. Funds for this project were allocated in the approved mid-year budget adjustment to the Capital Improvement fund.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. The expenditure of an amount not to exceed \$150,000 is authorized from the Capital Improvement Fund Account Code 5040-60500-8CP2125HVDOVL for replacing the decking and handrails on the Harvard Overlook at Walbridge Park.

SECTION 2. That the Mayor is authorized to accept bids and award contracts for the purposes specified in Section 1 upon terms and conditions as acceptable to the Director of Law and the Director of Parks and Youth Services.

SECTION 3. That the Finance Director is authorized to draw warrant or warrants against the above Account Code in payment of the above authorized obligations in amounts not to exceed \$150,000 upon presentation of the proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that the same is necessary for the immediate preservation of the public peace, health, safety and property and for the further reason that this Ordinance must be immediately effective in order to timely renovate the Walbridge Park overlook for proper and safe use.
