Providing for the issuance and sale of \$1,170,000 of notes, in anticipation of the issuance of bonds, for the purpose of paying costs of constructing, reconstructing and rehabilitating sidewalks, including, where necessary, driveway approaches and curbs, in certain locations on designated streets; and declaring an emergency.

SUMMARY & BACKGROUND:

This Ordinance authorizes the issuance and sale of \$1,170,000 of notes in anticipation of the issuance of bonds to provide funding for the City's 2022 Sidewalk Program. With the issuance of the notes authorized by this ordinance, the City's outstanding debt will be increased by not more than \$1,170,000. The notes will be subject to statutory direct debt limits and the statutory and constitutional indirect debt limitation and reduce the City's legal borrowing capacity.

The notes are to be sold to the City Treasury and will be held as an investment. They are expected to remain outstanding until they may be retired with proceeds of notes to be issued with other notes as a part of a scheduled private placement of general obligation notes later in 2022. The bonds in anticipation of which the notes are to be issued are to be retired over a period of 20 years.

The Director of Finance, as fiscal officer of the City, has certified to this Council that the estimated life or period of usefulness of the improvement described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is 20 years and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is 240 months from their date of issuance.

In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of the City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services.

The expenditure of the amounts necessary to secure those legal services, as well as to pay the other financing costs (as defined in Section 133.01 of the Revised Code) in connection with the issuance of the Notes, is hereby authorized and approved and the amounts necessary to pay those costs are hereby appropriated from the proceeds of the Notes and otherwise from Account Code 5040-14800-1135001STDSTD (Debt Costs of Issuance).
