TDOTSTREETLIGHTING

Engineering and Construction Management

Steve Burnett (x1336)

Revised

Declaring it necessary to improve intersections at Copley Drive and Marriat Road, Hill Avenue and Dunderry Lane, Thayer Street and Alley Intersection, and Worley Place and E. Manhattan Boulevard; by installing a street light; and declaring an emergency.

SUMMARY & BACKGROUND:

The Street Lighting Section of the Division of Engineering and Construction Management has received numerous complaints regarding the absence of lighting at the intersections of Copley Drive and Marriat Road, Hill Avenue and Dunderry Lane, Thayer Street and Alley Intersection, and Worley Place and E. Manhattan Boulevard. The Street Lighting Section surveyed the areas and determined that current street lighting is not adequate. This resolution proposes to install a streetlight at each of these locations to illuminate the intersections.

The annual cost of these improvements is estimated to be \$111.48 for each intersection with a one-time installation cost of \$825 each. These costs will be paid from the General Fund.

NOW, THEREFORE, Be it resolved by the Council of the City of Toledo:

SECTION 1. That it is necessary to improve the following lots and lands by installing street lighting, as described below:

- A. The intersection of Copley Drive and Marriat Road by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.
- B. The intersection of Hill Avenue and Dunderry Lane by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.
- C. The intersection of Thayer Street and Alley Intersection by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.
- D. The intersection of Worley Place and E. Manhattan Boulevard by installing one (1) 90-watt, LED Cobra style streetlight on an existing wood pole with overhead service.

SECTION 2. That the plans, specifications and estimates for these proposed improvements are approved and will be filed at the Division of Engineering and Construction Management Street Lighting Section.

SECTION 3. That the annual cost and expense of said improvements, together with damages, if any, awarded to the owner of adjoining lands, with interest thereon, and the costs and expenses of any such award, shall be paid from the General Fund by the City in a manner provided by law.

SECTION 4. That notice of the adoption of this Resolution shall be by publication in the Toledo City Journal in the manner provided by law.

SECTION 5. That this Resolution is hereby declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that this Resolution is necessary for the immediate preservation of the public peace, health, safety and property and for the further reason that this Resolution must be immediately effective in order to expedite the installation of street lighting.

Vote on emergency clause: yeas 12, nays 0.

Adopted: August 16, 2022: yeas 12, nays 0.
