DPU 2018 Water Main Program  
Engineering Services  
Scott Sibley (x2851)  
(Revised)

**Authorizing the appropriation and expenditure of \$5,500,000 from the unappropriated balance of the Water Replacement Fund for the 2018 Water Main Program; authorizing the Mayor to prepare plans and specifications, acquire rights-of-way and easements as appropriate, accept bids and enter into contracts after due advertising in accordance to law for the design and construction of water mains; and declaring an emergency.**

SUMMARY & BACKGROUND:

This ordinance funds the continuation of the City's systematic, annual water main replacement program to replace deteriorating and undersized water mains, and to loop dead ends within the City's water distribution system. Funding in the amount of \$5.5 million for this program has been planned for in the 2018 Water Capital Improvement Program which includes funding for design of future years' projects. The estimated unappropriated balance of the Water Replacement Fund is \$25 Million. This work is necessary to maintain safe, reliable service that will meet demands in the City of Toledo water distribution system.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount of \$5,500,000 is appropriated from the unappropriated balance of the Water Replacement Fund into Account Code 6063-35000-4UC0218STDSTD for the purpose of funding the 2018 Water Main Program; and the expenditure of same is authorized.

SECTION 2. That the Mayor is authorized to prepare plans and specifications, accept bids, and enter into contracts for the design and construction of water mains, including such items as labor, materials, real estate incidentals, testing, purchase of rights-of-way and easements, and professional services necessary to undertake said project.

SECTION 3. That the Director of Finance is authorized to issue his warrant or warrants against the Account Code listed in Section 1 in an amount not to exceed \$5,500,000 in payment of the above authorized obligations upon presentation of the proper voucher or vouchers.

SECTION 4. That the disappropriation of any remaining budget to fund balance is authorized at project closeout.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall take effect and be in force from and after its passage. The reason for the emergency lies in the fact that this ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that

this ordinance must be immediately effective in order to permit the earliest possible construction of critical elements in the City of Toledo's water distribution system.
