Dept. of Finance

Providing for the issuance and sale of \$1,385,000 of notes, in anticipation of the issuance of bonds, to pay costs of constructing and reconstructing sidewalks, including, where necessary, driveway aprons, between certain termini on certain designated streets; and declaring an emergency.

SUMMARY & BACKGROUND:

This ordinance authorizes the issuance of general obligation bond anticipation notes that the City plans to sell in October of 2018. The amount received from the sale of the notes authorized by this ordinance will be used, together with other funds, to retire a prior sidewalk improvement note maturing on October 18, 2018 and to provide funding for a portion of the City's 2018 Sidewalk Program. With the issuance of these notes and the retirement of the prior note, the City's outstanding debt for sidewalk improvements will be increased by a net amount of \$110,000. This additional amount will affect debt limits.

Pursuant to Ordinance No. 356-17 passed August 22, 2017, a note in anticipation of bonds in the amount of \$1,275,000 dated as of October 18, 2017, (the Outstanding Note) was issued for the purpose described in Section 1, which Outstanding Note is to mature on October 18, 2018.

This Council finds and determines that the City should retire the Outstanding Note with the proceeds of the Notes described in Section 3 and other funds available to the City and provide an additional \$560,000 for costs of the City's 2018 Sidewalk Program.

The Director of Finance as fiscal officer of this City has certified to this Council that the estimated life or period of usefulness of the improvements described in Section 1 is at least five years, the estimated maximum maturity of the Bonds described in Section 1 is twenty years, less the period in excess of twenty years during which notes are outstanding in anticipation thereof, and the maximum maturity of the Notes described in Section 3, to be issued in anticipation of the Bonds, is October 21, 2034.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That it is necessary to issue bonds of this City in the aggregate principal amount of \$1,275,000 (the Bonds) to pay costs of (a) improving 102nd Street, 106th Street, 113th Street, 114th Street, 117th Street, 145th Street, 295th Street, 298th Street, 299th Street, 301st Street, 326th Street, Acklin Avenue, Albert Street, Algonquin Parkway, Arlington Avenue, Ashwood Avenue, Austin Street, Avondale Drive, Barrows Street, Bartley Place, Bates Road, Beaumont Drive, Belmont Avenue, Belvoir Drive, Berdan Avenue, Berkeley Drive, Birchdale Drive, Blackstone Drive, Botkins Drive, Bowen Road, Boxwood Lane, Bradmore Drive, Brame Place, Brigham Street, Brighton Avenue, Bronson Avenue, Brussels Street, Buckingham Street, Burnham Avenue, Caledonia Street, California Boulevard, Calumet Avenue, Calyx Lane, Carlton Street, Carver Boulevard, Castleton Avenue, Celesta Drive, Charlestown Avenue, Chase Street, Cheltenham Road, Chestnut Street, Chippewa Road, Claredale Road, Colburn Street, Collingwood Boulevard, Congress Street, Coventry

SECTION 2. That the Bonds shall be dated approximately October 1, 2019, shall bear interest at the now estimated rate of 5% per year, payable semiannually until the principal amount is paid, and are estimated to mature in twenty annual principal installments that are substantially equal. The first installment of principal of the Bonds is estimated to be payable on December 1, 2020, and the first installment of interest on the Bonds is estimated to be payable on December 1, 2019.

SECTION 3. That it is necessary to issue and this Council determines that notes in the aggregate principal amount of \$1,385,000 (the Notes) shall be issued in anticipation of the issuance of the Bonds and to retire, together with other funds available to the City, the Outstanding Note. The Notes shall be dated the date of issuance and shall mature one year from the date of issuance, provided that the Director of Finance may, if it is determined to be necessary or advisable to the sale of the Notes, establish a maturity date that is up to seven days earlier than one year from the date of issuance, by setting forth that maturity date in the certificate awarding the Notes in accordance with Section 6 of this ordinance (the Certificate of Award). The Notes shall bear interest at a rate not to exceed 4% per year (computed on the basis of a 360-day year consisting of twelve 30-day months), payable at maturity or upon prepayment and until the principal amount is paid or payment is provided for. The rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award. The rate of interest on the Notes shall be determined by the Director of Finance in the Certificate of Award.

SECTION 4. That the debt charges on the Notes shall be payable in Federal Reserve funds of the United States of America, without deduction for services of the City's paying agent, at the designated corporate trust office of The Bank of New York Mellon Trust Company, N.A., or at the designated office of another bank or trust company requested by the original purchaser of the Notes, provided that such request shall be approved by the Director of Finance after determining that the payment at that bank or trust company will not endanger the funds or securities of the City and that proper procedures and safeguards are available for that purpose (the Paying Agent). The Director of Finance is authorized to enter into any agreements determined necessary in connection with obtaining the services of a Paying Agent for the Notes, after determining that the signing thereof will not endanger the funds or securities of the City.

If agreed to by the original purchaser, the Notes shall be prepayable without penalty or premium at the option of the City on any date or on or after a date to be determined by the Director of Finance in the Certificate of Award. Prepayment prior to maturity shall be made by deposit with the Paying Agent of the principal amount of the Notes together with interest accrued thereon to the date of prepayment. The City's right of prepayment shall be exercised by mailing a notice of prepayment, stating the date of prepayment and the

name and address of the Paying Agent, by certified or registered mail or overnight courier to the original purchaser and to the Paying Agent not less than seven days prior to the date of prepayment. If money for prepayment is on deposit with the Paying Agent on the specified prepayment date following the giving of that notice, interest on the principal amount prepaid shall cease to accrue on the prepayment date, and upon the request of the Director of Finance, the original purchaser shall deliver the Notes at the designated office of the Paying Agent for prepayment, surrender and cancellation.

SECTION 5. That the Notes shall be signed by the Mayor and Director of Finance, in the name of the City and in their official capacities, provided that one of those signatures may be a facsimile. The Notes shall be issued in the denominations and numbers as requested by the original purchaser and approved by the Director of Finance, provided that the entire principal amount may be represented by a single note and that no note shall be issued in a denomination less than \$100,000 or exchangeable for other Notes in denominations less than \$100,000. The Notes may be issued as fully registered securities (for which the Director of Finance will serve as note registrar) and in book entry form in accordance with Section 9.96 and Chapter 133 of the Ohio Revised Code, with a single physical note certificate representing the entire issue (or the consolidated issue into which it is combined with one or more other note issues of the City in accordance with Section 6 of this ordinance), if it is determined by the Director of Finance that issuance of fully registered securities in that form will facilitate the sale and delivery of the Notes. The Notes shall not have coupons attached, shall be numbered as determined by the Director of Finance and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to this ordinance.

As used in this Section and this ordinance:

“Book entry form” or “book entry system” means a form or system under which (i) the ownership of beneficial interests in the Notes and the principal of, and interest on, the Notes (book entry interests) may be transferred only through a book entry, and (ii) a single physical Note certificate is issued by the City and payable only to a Depository or its nominee, with such Note deposited with and retained in the custody of the Depository or its agent for that purpose. The book entry maintained by others than the City is the record that identifies the owners of book entry interests in the Notes and that principal and interest.

“Depository” means any securities depository that is a clearing agency under federal law operating and maintaining, with its Participants or otherwise, a book entry system to record ownership of book entry interests in the Notes or the principal of, and interest on, the Notes and to effect transfers of the Notes, in book entry form, and includes and means initially The Depository Trust Company (a limited purpose trust company), New York, New York.

“Participant” means any participant contracting with a Depository under a book entry system and includes security brokers and dealers, banks and trust companies, and clearing corporations.

The Notes may be issued to a Depository for use in a book entry system and, if and as long as a book entry system is utilized, (i) the Notes may be issued in the form of a single Note made payable to the Depository or its nominee and deposited with and retained in the custody of the Depository or its agent for that purpose; (ii) the owners of book entry interests shall have no right to receive the Notes in the form of physical securities or certificates; (iii) ownership of book entry interests shall be shown by book entry on the system maintained and operated by the Depository and its Participants, and transfers of the ownership of book entry interests shall be made only by book entry by the Depository and its Participants; and (iv) the Notes as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a

Depository, without further action by the City.

If any Depository determines not to continue to act as a Depository for the Notes for use in a book entry system, the Director of Finance may attempt to establish a securities depository/book entry relationship with another qualified Depository. If the Director of Finance does not or is unable to do so, the Director of Finance, after making provision for notification of the book entry interest owners by the then Depository and any other arrangements deemed necessary, shall permit withdrawal of the Notes from the Depository, and shall cause the Notes in bearer or payable form to be signed by the officers authorized to sign the Notes and delivered to the assigns of the Depository or its nominee, all at the cost and expense (including any costs of printing), if the event is not the result of City action or inaction, of those persons requesting such issuance.

The Director of Finance is also hereby authorized and directed, to the extent necessary or required, to enter into any agreements determined necessary in connection with the book entry system, after determining that the signing thereof will not endanger the funds or securities of the City.

SECTION 6. That the Notes shall be sold by the Director of Finance at private sale at a price not less than par and accrued interest, in accordance with law and the provisions of this ordinance. The Director of Finance shall sign the Certificate of Award referred to in Section 3 specifying the interest rate the Notes shall bear, the final purchase price for the Notes and certain other final terms of the Notes as provided in this ordinance and evidencing that sale, cause the Notes to be prepared, and have the Notes signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Notes if requested by the original purchaser, to the original purchaser upon payment of the purchase price. The Mayor, the Director of Law, the Director of Finance, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this ordinance. The Director of Finance is authorized, if it is determined to be in the best interest of the City, to combine the issue of Notes with one or more other unvoted general obligation bond anticipation note issues of the City into a consolidated note issue pursuant to Section 133.30(B) of the Ohio Revised Code.

SECTION 7. That the proceeds from the sale of the Notes, except any premium and accrued interest, shall be paid into the proper fund or funds and those proceeds are appropriated and shall be used for the purpose for which the Notes are being issued. Any portion of those proceeds representing premium and accrued interest shall be paid into the Bond Retirement Fund.

SECTION 8. That the par value to be received from the sale of the Bonds or of any renewal notes and any excess funds resulting from the issuance of the Notes shall, to the extent necessary, be used to pay the debt charges on the Notes at maturity and are pledged for that purpose.

SECTION 9. That during the year or years in which the Notes are outstanding, there shall be levied on all the taxable property in the City, in addition to all other taxes, the same tax that would have been levied if the Bonds had been issued without the prior issuance of the Notes. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner, and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Notes or the

Bonds when and as the same fall due.

SECTION 10. That the City covenants that it will use, and will restrict the use and investment of, the proceeds of the Notes in such manner and to such extent as may be necessary so that (a) the Notes will not (i) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Internal Revenue Code of 1986, as amended (the Code) or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (b) the interest on the Notes will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Notes to be and remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Notes to the governmental purpose of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports and (v) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Director of Finance, as the fiscal officer, or any other officer of the City having responsibility for issuance of the Notes is hereby authorized (a) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in Section 148(f)(4)(C) of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or status of the Notes or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Notes, and (c) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Notes.

Each covenant made in this Section with respect to the Notes is also made with respect to all issues any portion of the debt service on which is paid from proceeds of the Notes (and, if different, the original issue and any refunding issues in a series of refunding issues), to the extent such compliance is necessary to assure exclusion of interest on the Notes from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Notes.

SECTION 11. That as used in this ordinance, "Director of Finance" shall mean the person at the time performing the duties of the chief fiscal officer of the City; "Mayor" shall mean the person at the time performing the duties of the chief executive officer of the City; and "Director of Law" shall mean the person at

the time performing the duties of the chief legal officer of the City.

SECTION 12. That the legal services of the law firm of Squire Patton Boggs (US) LLP be and are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Notes, any renewal notes and the Bonds and rendering at delivery related legal opinions. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services.

The expenditure of the amounts necessary to secure those legal services and any such ratings, as well as to pay the other financing costs (as defined in Section 133.01 of the Ohio Revised Code) in connection with the issuance of the Notes, is hereby authorized and approved and the amounts necessary to pay those costs are hereby appropriated from the proceeds of the Notes and otherwise from Account Code 5057-14800-8135001STDSTD (Debt Costs of Issuance).

SECTION 13. That the Clerk of Council is directed to deliver a certified copy of this ordinance and a signed copy of the Certificate of Award to the County Auditor, after each become available.

SECTION 14. That this Council determines that all acts and conditions necessary to be done or performed by the City or to have been met precedent to and in the issuing of the Notes in order to make them legal, valid and binding general obligations of the City of Toledo have been performed and have been met, or will at the time of delivery of the Notes have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 9) of the City are pledged for the timely payment of the debt charges on the Notes; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Notes.

SECTION 15. That this Council finds and determines that all formal actions of this Council and any of its committees concerning and relating to the passage of this ordinance were taken, and that all deliberations of this Council and any of its committees that resulted in those formal actions were held, in meetings open to the public in compliance with the law.

SECTION 16. That this ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health, safety and property of the City, and for the further reason that this ordinance is required to be immediately effective in order to issue and sell the Notes, which is necessary to enable the City to timely retire the Outstanding Note and thereby preserve its credit; wherefore, this ordinance shall be in full force and effect immediately upon its passage or at the earliest time allowed by law.
