Councilman Riley

Amending Toledo Municipal Code, Part Eleven, Subsections 1104.0600 and 1116.0217; enacting new Subsections 1104.0600, 1116.0217 regarding convenience stores; and declaring an emergency.

SUMMARY & BACKGROUND:

The request is a Text Amendment to TMC§1104.0600 *Convenience stores* and TMC§1116.0217 *Food and Beverage Retail Sales* and is intended to add text regarding convenience store facilities.

The goal of the amendment is to address the economic, health, and safety concerns associated with the concentration of convenience stores and their impact on residents of Toledo. Convenience store use regulations were initially enacted in 2004 to control the secondary effects on crime and blight associated with these businesses. Since that time, the convenience store model has grown to include stores in excess of 5000 square feet. These stores are proliferating with no spacing, litter or congestion elimination restrictions in place.

The proposed text amendment will not impact any existing convenience stores established in the City of Toledo, however any new convenience stores will be subject to the proposed legislation. As stated in TMC§1101.0400, the Zoning Code is intended protect the health, safety, and general welfare of the citizens of Toledo.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:
