Authorizing the director of law to proceed with the appropriation of a portion of the property located at 3188 S. Byrne Road, required for the S. Detroit and Byrne Roadway and Intersection Improvement Project; authorizing the expenditure and payment to the Lucas County Clerk of Courts in the amount of \$16,572; and declaring an emergency.

SUMMARY & BACKGROUND:

The city is proceeding with the reconstruction of S. Detroit Avenue from the Anthony Wayne Trail to Copland Boulevard. Some of the improvements to be constructed as part of this public improvement project will include a complete reconstruction of Detroit Avenue roadway pavement, the construction of a single lane roundabout at the intersection of Byrne Road, and other necessary and related pedestrian walkway, utility and infrastructure improvements along Detroit Avenue between the Anthony Wayne Trail and Copland Boulevard. The project will require the purchase of .0529 acre of land, more or less, in fee, across a portion of the property located at 3188 S. Byrne Road (TD Parcel 10-19161). This appropriation is necessary because negotiations between the city of Toledo and the owner and/or other parties with interests in the subject property have failed. A copy of Resolution No. 290-18 has been served upon the title holder, as well as all other interested parties, via certified U.S. mail. It is the intent of the Division of Engineering Services to begin work related to the public improvement project as soon as possible upon the filing of the petition in Common Pleas Court, via “Quick Take” procedures. The funds necessary for this expenditure were anticipated and budgeted within Engineering Services Matches and Planning CIP Fund.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the director of law is authorized to appropriate, in fee, a portion of the real estate located at and known as 3188 S. Byrne Road (TD 10-19161), and more fully described below:
