TPD Timekeeping Software
Toledo Police Department
Lt. James Brown (x3203)
Revised

Authorizing the Mayor to enter into a three-year time keeping software agreement with InTime Solutions, Inc.; authorizing an amount not to exceed \$14,403 annually from the General Fund, subject to future appropriations; waiving the competitive bidding requirements of TMC Chapter 187; and declaring an emergency.

SUMMARY & BACKGROUND:

This ordinance authorizes the Mayor to enter into a three-year time keeping software agreement with InTime Solutions, Inc. InTime has been the timekeeping software provider for TPD since 2013. Additionally, InTime has agreed to extend our current pricing level for the duration of this new three-year agreement. This three-year agreement is for 2022, 2023, and 2024 totaling \$43,209.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That the Mayor is hereby authorized to enter into a three-year time keeping software agreement with InTime Solutions, Inc.

SECTION 2. That the amount not to exceed \$14,403, annually, is authorized for expenditure from the General Fund Account Code 1001-52000-3381002STDSTD for the annual cost of InTime timekeeping software, subject to future appropriations.

SECTION 3. That this council finds it in the best interest of the city to waive the competitive bidding requirements of TMC Chapter 187 for the reason that InTime Solutions, Inc. has been the TPD provider for this service since 2013 and they have agreed to maintain the current pricing for an additional three years.

SECTION 4. That the Finance Director is authorized to draw a warrant or warrants against the above referenced Account Code in Section 2 in payment of the obligation authorized in Section 1 herein, and upon presentation of proper voucher or vouchers.

SECTION 5. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that it is necessary for the immediate preservation of the public peace, health, safety, and property and for the further reason that the ordinance must be immediately effective in order to maintain continuous timekeeping capability.

Vote on emergency clause: yeas 11, nays 0.

Passed: May 10, 2022, as an emergency measure: yeas 11, nays 0.

Attest:

Gerald E. Dendinger
