Water Treatment

J. Goetz (x2399)

Revised

Authorizing the expenditure in an amount not to exceed \$2,387,253 from the Water Bond Improvement Fund; authorizing the mayor to execute the necessary contract(s) for the design, preparation of plans and specifications, engineering, bidding, construction oversight, testing, permits, renovation, construction, appurtenances, and other related work, tasks, equipment, and materials needed for Facility Refurbishments and Improvements at the Collins Park Water Treatment Plant; and declaring an emergency.

SUMMARY & BACKGROUND:

Ordinance 473-16 previously authorized funding for the Facility Refurbishment project at the Collins Park Water Treatment Plant. This project was implemented to address concerns from the Ohio EPA to improve and restore the facilities in order to maintain a reliable regional water system. Various improvements throughout the facilities need to be completed to improve safety, security, operational flexibility and restorations. To complete these improvements, this ordinance authorizes the expenditure of monies from the Water Bond Improvement Fund. Ordinance 576-21 received First Reading on 11/23/2021 authorizing the appropriation of these funds into the account code being used for this expense.

NOW, THEREFORE, Be it ordained by the Council of the City of Toledo:

SECTION 1. That an amount not to exceed \$2,387,253 is authorized for expenditure from the Water Bond Improvement Fund into Account Code 6062-32000-4UB2416STDSTD for Facility Refurbishment.

SECTION 2. That the mayor is authorized to accept bids and execute necessary contracts for the completion of said project. All contract terms and conditions shall be subject to approval by the Director of Public Utilities and the Director of Law.

SECTION 3. That the Finance Director is authorized to issue their warrant or warrants against the above authorized account code in an amount not to exceed \$2,387,253 in payment of the above authorized obligations upon presentation of the proper voucher or vouchers.

SECTION 4. That this Ordinance is declared to be an emergency measure and shall be in force and effect from and after its passage. The reason for the emergency lies in the fact that this Ordinance is necessary for the immediate preservation of the public peace, health, safety and property, and for the further reason that this ordinance must be immediately effective in order to ensure the uninterrupted distribution of quality potable drinking water to the citizens of the entire region.
